CHAIRMAN'S REPORT

主席報告

Introduction

This is my second Chairman's report to the rugby community on behalf of the Board of Directors (The Board) and Senior Management Team and covers the key aspects of Hong Kong, China Rugby (HKCR) activities during the 2023/24 year. I am happy to write that our community has continued to recover strongly from the lingering impact of the pandemic, and we saw a healthy domestic season at all levels of the game. It was particularly pleasing for us to be able to announce a sold-out Cathay/HSBC Hong Kong Sevens for the first time since 2019, and I would like to pay tribute to all the hard-working HKCR staff whose efforts contributed to this achievement. This in turn has allowed us to incrementally increase funding support for both our clubs and community, as well as introduce a number of exciting new initiatives, such as the employment of Women's Club Coaching Officers (CCOs).

Strategic Plan

With the conclusion of the 2019-23 Strategic Plan, the Board and Senior Management Team focused on developing a new document that, in a constantly evolving sporting and social landscape, would provide a clear short, medium and long-term vision for HKCR. A framework was agreed that was built on comprehensive data analysis and that also encompassed stakeholder engagement, and the Plan was publicly launched in April after the Sevens. We re-defined our Purpose as "To optimise positive social impact for Hong Kong through rugby", and our Mission "To build a connected, sustainable ecosystem of rugby", which is built on 3 "Pillars" of Community & Participation, Sustainability and Representative Rugby, each supporting the others in providing more participants to the community game, additional funding and revenue generation and better representative performance.

James and the Senior Management Team are now finalising the approach to both the implementation and monitoring of the Plan.

Governance

The addition of electing our first three Independent Non-Executive Directors to the Board has been a great success, and Gill Meller, Brett Free and Josh Lewsey have all provided significant contributions.

In our ongoing efforts to improve our competition structures and enhance collaboration with our member clubs, we have introduced Governance Boards in relation to the Premiership, Community and Youth leagues with agreed terms of reference. The implementation of these entities has not been without its challenges, but we are confident that this will provide a robust model for the domestic game moving forward.

One significant project over the past nine months has been the recruitment exercise to replace our former CEO, Robbie McRobbie. Upon the announcement of his decision to leave after a lengthy tenure with HKCR, we ensured that there was sufficient time to engage with an external recruitment agency in relation to a comprehensive search that resulted in a strong set of diverse candidates, both local and international, and we were able to announce James Farndon as Robbie's successor prior to the Sevens. James was then able to have a four-week in-person handover with Robbie prior to his departure on 5 July. The whole process was efficiently and professionally managed, and I'd like to express my appreciation to both Odgers Berndtson and Graham Barkus for their assistance throughout.

Finances

Finances are covered in more detail within the Finance Director's report. The results represent a success, with the sold-out Sevens playing a major part in this and helping to solidify the recovery from the pandemic years. Careful judgement is always required in balancing commercial success with an increased investment into the game in Hong Kong, and this was particularly the case at the start of the year when some uncertainties around the Sevens were still very much in place. Going forward, we expect this challenge to continue given the anticipated change of venue for the Sevens along with the desire to see the game thrive both domestically and on the international stage.

簡介

這是我代表董事會和管理層向欖球社區提交的第二份主席報告，報告涵蓋2023/24年度中國香港欖球總會（欖總）活動的主要內容。我很高興地宣布，我們的欖球社區持續從新冠後遺中強勁復蘇。在過去球季，各個級別的本地賽事亦健康蓬勃地發展。特別令人欣慰的是，「國泰/滙豐香港國際七人欖球賽」自2019年以來首次錄得售罄，我要向所有辛勤工作、付出努力促成此項佳績的欖總員工致敬。此佳績也讓我們能夠逐步增加對球會和社區的資金支持，另我們亦推出一系列令人興奮的新舉措，例如聘用女子球會教練（CCOs）。

策略計劃

隨著2019-23年策略計劃的完結，董事會和管理層團隊致力制定一份全新文件，務求在這個持續演進的體育和社會環境中，為欖總提供一個清晰的短、中及長期願景。策略框架建基於全面的數據分析及持份者的參與，該計劃在四月香港國際七人欖球賽後正式公佈。我們重新將欖總的宗旨定義為「透過欖球運動，致力為香港創造正面社會影響」；將欖總的使命定義為「在香港建立一個緊密相連、可持續發展的欖球生態」。策略建基於三大支柱——「社區和參與」、「可持續發展」及「代表隊欖球」—三大支柱互相支持，提升社區參加者、額外的資金及收入，以及提升代表隊成績。

華哲思（James Farndon）和管理團隊正就計劃的推行和監察方法作最後敲定。

管治

首次選舉三名獨立非執行董事加入董事會的舉措已取得重大成功，馬琳（Gill Meller）、斐博歷（Brett Free）及Josh Lewsey均作出極大貢獻。

為持續改善我們的賽事架構並加強與會員球會的合作，我們已就超級聯賽、社區聯賽及青少年聯賽設立管治委員會，並訂定相關職權範圍。雖然推行這些體制的過程中遇到一些挑戰，但我們堅信這將為本地賽事的未來發展提供一個穩健的模式。

過去九個月中的其中一項重要工作是為前任行政總裁麥偉彬物色繼任人選。在宣布他決定離開效力多年的欖總後，我們確保有充裕時間聘請外部招聘機構，進行廣泛的物色工作，最終在本地及國際物色到一批優秀而多元化的候選人，並得以在七欖賽事前宣布華哲思James Farndon接任麥偉彬的職務。華哲思在麥偉彬7月5日離職前與他進行為期四星期的親身交接。整個過程的管理均以高效及專業的方式進行，我謹此對Odgers Berndtson及Graham Barkus在過程中的協助，衷心感謝。

財務

財務董事的報告將更詳細介紹本會的財務情況。業績表現成功，其中七欖售罄的佳績功不可沒，有助鞏固疫情後的復甦。要在商業成功與增加香港欖球運動投資之間取得平衡，我們必須作出審慎的判斷，尤其是在本年初，香港國際七人欖球賽仍存在許多不明朗的因素之下。展望未來，考慮到七欖賽事場地預期有所改變，以及社會期望賽事在本地及國際舞台上皆能蓬勃發展，我們預料這類挑戰將持續存在。

Kai Tak Sports Park (KTSP)

We have continued to liaise closely with the Kai Tak Sports Park team over the past year as we look to ensure that we are well positioned to take advantage of the impending availability of this new facility.

This potential opportunity would not only be as the new home of the Sevens, but also in terms of the way in which HKCR can optimise the world-leading facilities available to attract additional international events, and also maximise the benefits associated with the facility for the good of our domestic game. We foresee significant opportunities to work closely with the operators of the Kai Tak Sports Park in relation to the hosting of domestic events, as well as the creation of an annual rugby calendar in Hong Kong - as we look to strengthen our position as the rugby events hub of Asia.

Greater Bay Area

An additional element of our approach to expanding both the domestic competition and levels of participation is fostering closer ties with the Guangdong Rugby Association and Macau Rugby, helping them to develop the game across the population of 70 million within the Greater Bay Area. The Shenzhen Pirates had an encouraging first season in our leagues last year, and we hope they will be the first of many teams as we build out the competition in the years ahead.

Thank You

This has been another challenging year, and I would like to record my thanks to the entire cross-section of the rugby community who have offered their support and advice so generously. Firstly, I would like to acknowledge Robbie McRobbie, who dedicated 20 years of his career to the development of rugby in Hong Kong and operated as a highly competent and well-respected CEO since taking up the role in 2017. On behalf of our entire organisation, I thank Robbie and wish him all the very best in the future.

In particular, I would also like to thank:

- Our President, Peter Duncan and the HKCR Vice Presidents
- My fellow Directors, Union Staff and Management Team
- All Club Chairmen, Officials, Coaches and Managers
- All the sponsors and patrons of HKCR
- All officials, including Referees, Assistant Referees, Assessors and the various members of panels
- Dr David Owens, the Player Welfare and Medical staff, and all our volunteers for their tireless support
- The many other Committees, groups and working parties, that all work for the betterment of rugby in Hong Kong and
- The supporters and fans of Hong Kong China Rugby

Finally, I would like to acknowledge a number of individuals who collectively made great contributions to our game over many decades but who have sadly passed over the past year - Honorary Member Chris Howarth, long-time Sevens ground announcer Ray Bruce, and Sevens Tournament Director Rod Mason - Rest in Peace, and thank you all.

啟德體育園

過去一年，我們持續與啟德體育園團隊保持密切聯繫，以確保我們能充分利用這個即將落成的新設施。

該場地不僅將成為「香港國際七人欖球賽」的新主場，而且也將展現中國香港欖球總會如何應用世界一流設施，吸引更多國際賽事，以獲取最大效益。我們預料，隨著我們就鞏固香港作為亞洲欖球活動中心的地位而努力，我們將與啟德體育園的營辦商更緊密合作，以舉辦多項本地賽事及創建年度欖球賽曆。

大灣區

針對擴展本地賽事及其參與度，需要與廣東省橄欖球協會和澳門欖球總會建立更緊密聯繫，以幫助他們在大灣區7,000萬人口中發展此項運動。去年深圳海盜隊加入我們的本地聯賽，首季表現令人鼓舞。希望他們能夠成為我們在未來幾年創建的新賽事中，眾多參與球隊中的第一員。

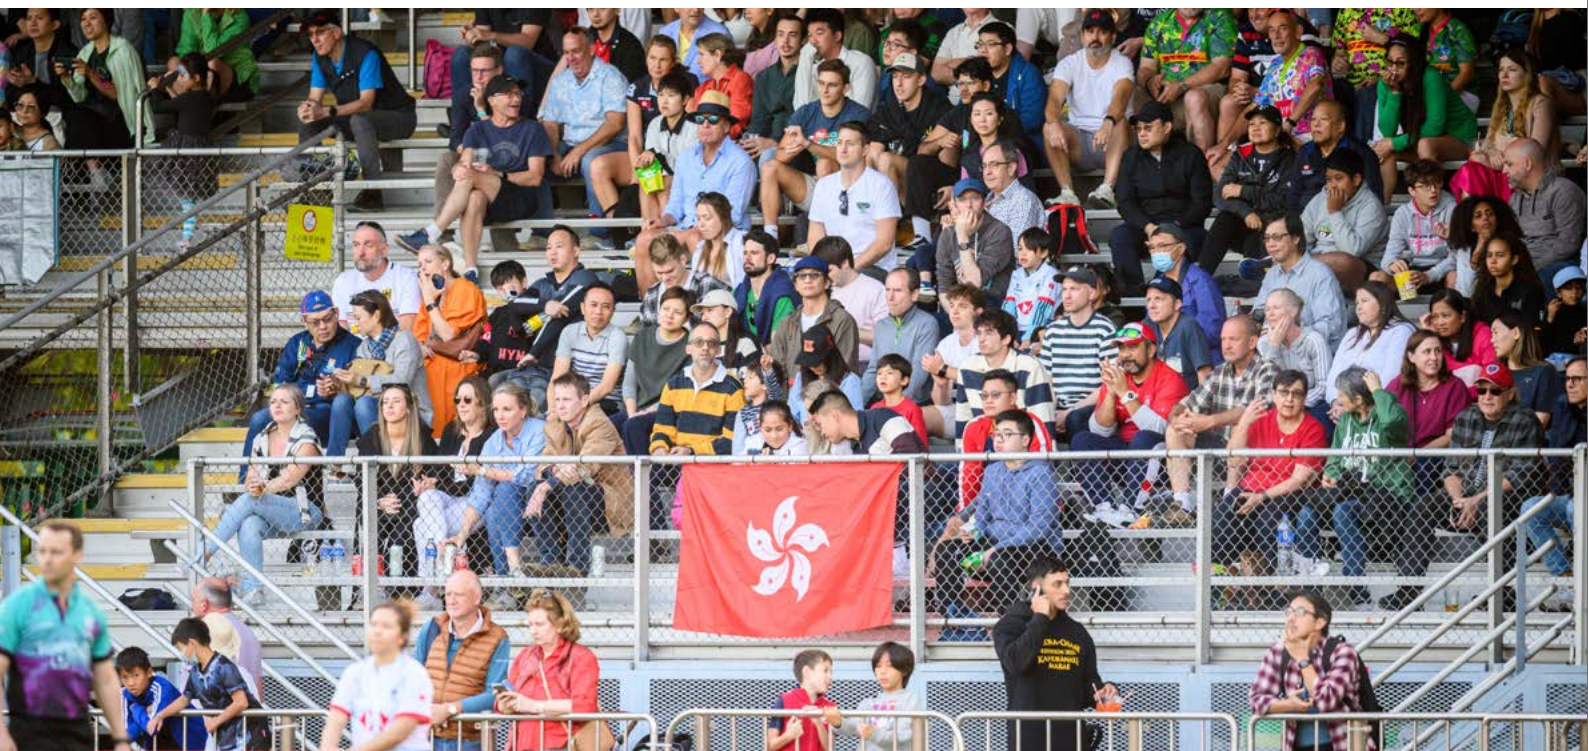

致謝

今年又是充滿挑戰的一年，我謹向欖球社區各界人士表達謝意，感謝他們慷慨地給予支持和建議。首先，我要向麥偉彬(Robbie McRobbie)致意，他為香港欖球發展奉獻20年，自2017年上任行政總裁以來，憑藉其出色才能及領導，一直備受各界尊重。在此，我謹代表中國香港欖球總會向他表達謝意，並祝願他一切順利。

此外，我亦要特別感謝：

- 我們的會長鄧樂勤先生及中國香港欖球總會副會長們
- 我們的董事們、欖總職員及管理團隊
- 所有球會主席、球證、教練及經理
- 所有中國香港欖球總會的贊助商及贊助者
- 所有裁判人員，包括球證、助理球證、評估員和各顧問小組成員
- David Owens博士、球員福利及醫務職員，以及我們所有義工，感謝他們不辭勞苦
- 還有許多致力促進香港欖球運動的其他小組委員會、團體及工作小組；以及
- 中國香港欖球總會的支持者及球迷

最後，我要特別向以下幾位在過去一年不幸離世的人士致意，感謝他們在過去數十年間為欖球運動作出巨大貢獻—榮譽會員Chris Howarth、長期擔任七欖現場宣佈員的Ray Bruce及前七欖賽事總監Rod Mason—願逝者安息，感謝您們。

CEO REPORT

行政總裁報告

Having taken up the CEO role in June, this is my first annual report and a good opportunity to take stock as we look forward to an exciting next chapter in the HKCR story. We find ourselves back in a position of relative financial stability post-pandemic, but with some significant challenges and opportunities, on and off the pitch.

Our Women's 15s team's impressive win over Kazakhstan in the Asia Rugby Championship qualified them for the WXV Division 3 competition later this year, which in turn gives them a chance of qualifying for their second Rugby World Cup in England next year. Meanwhile, World Rugby's decision to increase the number of teams in the Men's 2027 Rugby World Cup to 24 has brought great excitement to the rugby community in Hong Kong, as we eagerly await confirmation of the new qualification format. As we target booking a ticket to Australia in 2027, we continue our process of key performance planning and decision-making to optimise the squad's preparations for the challenges ahead.

We are also working hard with World Rugby and Kai Tak Sports Park to agree on a vision for the Sevens for 2025 and beyond - a state-of-the-art stadium with an increased capacity awaits us, as we look forward to the second year of the re-imagined HSBC SVNS World Series.

Furthermore, following the announcement by the Organizing Committee of the 15th National Games that Hong Kong China will host the rugby sevens component of the event in November 2025, HKCR has been asked to play a leading role in the delivery of the Rugby Sevens Competition. Rod Lai, who sits on the HKCR Board of Directors, has been appointed to The PRC 15th National Games Rugby Sevens Competition Sub-Committee. HKCR staff will join Rod in supporting this project, and I know all involved will take great pride in ensuring that the planning, preparation and delivery of the competition are to the highest possible standard.

People & Culture

With the patient assistance of our HR consultant, Graham Barkus, we have continued to review and improve our HR framework and systems. Over the past year we have agreed on a new performance appraisal process, enhanced our induction programme for new joiners and updated the staff handbook.

We have said farewell to two of our Senior Management Team in Nathan Stewart and Michelle You, and also saw the departure of my predecessor as CEO Robbie McRobbie. These changes have afforded an opportunity to review our organisational structure to ensure that we are aligned with the new Strategic Plan moving forward.

I would like to recognise the contribution of all our Senior Management Team for all their efforts over the past season:

David Greaves - Chief Financial Officer
Lucy Clarke - Chief of Medical Services
Rocky Chow - Chief Community Officer
Jo Hull - General Manager Performance
Bryan Rennie - General Manager Commercial & Business Development
Aaron Stockdale - General Manager Events

The updates from these departments have been consolidated broadly into the 3 "Pillar" reports of Community & Participation, Commercial and Representative Rugby.

I would like to record my thanks to Crystal Wong our Corporate Services Manager, who has continued to look after the Board, managed our Sevens VIP Programme, and, on a personal note, was invaluable in assisting with my move to the city and transition into the CEO role. I'd also like to say a big thank you to Robbie for his continued support, and on behalf of all the HKCR Community wish him well with his future endeavours.

本人於6月就任行政總裁一職，這是我的首份年度報告，也是一個良機，以回顧過去，並展望中國香港欖球總會踏入激動人心的全新篇章。在新冠疫情後，我們重回相對穩定的財務狀況，但在球場內外仍面臨一些重大挑戰和機遇。

我們的女子15人欖球隊在亞洲女子欖球錦標賽擊敗哈薩克，表現出色，取得在今年稍後舉行的WXV錦標賽第三級別賽事參賽資格，也讓她們有機會競逐明年在英格蘭舉行的第二屆女子欖球世界盃的參賽資格。同時，世界欖球總會有意將參加2027年男子欖球世界盃的參加球隊數量增加至24支，該消息振奮整個本地欖球社區，我們熱切期待世界欖球總會確認新賽制。我們以爭取2027年世界盃為目標，故我們將繼續進行關鍵績效規劃及決策流程，盡全力提升球隄水平，為未來挑戰做好準備。

我們也正與世界欖球總會及啟德體育園密切合作，就2025年及以後七欖賽事的願景達成共識——一個先進、可容納更多觀眾的體育場正等待我們，我們也期待迎接第二年重新構思的「滙豐SVNS世界七人欖球系列賽」。

此外，第十五屆全運會組委會已宣布中國香港將於2025年11月舉辦七人欖球賽，中國香港欖球總會獲邀為七人欖球比賽擔任主導角色。中國香港欖球總會董事局成員黎志豪(Rod)已獲委任為中華人民共和國第十五屆全運會七人欖球賽小組委員會成員。中國香港欖球總會將與Rod攜手支持這個項目，我肯定所有參與者定必致力確保比賽策劃、準備和交付達到最高標準，並引以為傲。

人文和文化

在人力資源顧問Graham Barkus的耐心協助下，我們持續檢討並改進人力資源框架及系統。過去一年，我們擬定了新的績效評估流程，加強新入職員工的入職培訓計劃，並更新了員工手冊。

我們告別了兩位管理團隊成員施尼芬(Nathan Stewart)及由威，前任行政總裁麥偉彬(Robbie McRobbie)也離開了我們。這些變動為我們提供了審視組織架構的機會，從而確保我們與新的策略計劃保持一致。

我想藉此機會表揚管理層團隊在過去一個賽季的所有努力：

格雷夫斯(David Greaves) — 首席財務總監

卡露絲(Lucy Clarke) — 首席醫護

周思豪 — 首席社區總監

侯祖瑟芬(Jo Hull) — 高水平欖球總經理

榮拜仁(Bryan Rennie) — 商業與業務拓展總經理

魏德朗(Aaron Stockdale) — 項目及七人欖球賽總經理

這些部門的最新情況已大致整合到「社區和參與」、「可持續發展」及「代表隊欖球」三大「支柱」報告中。

我要特別感謝企業服務經理王凱盈，她一如既往地照顧董事會，管理七欖貴賓計劃，並在個人層面上，無價地協助我遷居至香港並過渡到行政總裁的角色。我還要衷心感謝麥偉彬一直以來的支持，並代表整個中國香港欖球總會祝願他一切順利。

財務董事報告

DIRECTOR OF FINANCE REPORT

財務董事報告

I am delighted to present my report as Finance Director of Hong Kong China Rugby (HKCR) for the year ending 30 April 2024. HKCR managed to deliver both on and off the pitch at the sold-out 2024 Cathay/HSBC Hong Kong Sevens, which has helped continue the recovery of the Company from the lean COVID years when cancellations were enforced.

The event saw a significant increase in overseas visitors, which is fantastic news for both HKCR and Hong Kong itself. This increase in overseas visitors contributed significantly to all tickets being sold for the tournament and provided some lasting memories of the Hong Kong stadium for travelling and local fans alike. HKCR is proud to be at the forefront of demonstrating to the world what Hong Kong can offer visitors and will be looking to use our expertise in delivering world-class events to identify further opportunities to showcase Hong Kong to the world.

The current year's hard work on the cost management side and measures taken to drive attendance and revenues have helped to stabilise the balance sheet and allow HKCR to increase its investment in the local game with the return of General Manager subventions for all Premiership Clubs. In addition, going forward, there are planned increases to club subventions, and the landmark introduction of Women's Club Coaching Officers (CCOs) for the 2024/25 season.

Results on the pitch, notably the Men's 7s Asian Games gold medal and the Women's Asian Games 7s bronze medal which took place during the financial year, served to help secure Hong Kong Sports Institute funding for our athletes at the elite end of the game. This support is critical for ensuring our sevens teams remain professional and are able to compete on the Asian and World stages.

2023/2024 Financial Performance

HKCR recorded an operating profit before fair value movements on financial assets and taxation of HK\$26.4m (2023: HK\$65.4m) for the year ended 30 April 2024. There was a decrease in both income and expenses compared to the prior year, which was primarily due to the fact that only a single Hong Kong Sevens tournament was delivered as opposed to two in the previous year. The tournament's profitability was enhanced compared to the previous two editions, mainly as a result of being sold out, and thus ticket sales were notably higher than for either the 2023 or 2022 editions. The fact that HKCR was profitable has allowed the process of rebuilding post-Covid to continue.

The operating costs outside of the Sevens increased by HK\$15.2m to HK\$106.7m, primarily as a result of the scaling up of sponsored community programmes, investment in personnel, particularly on the rugby side of the business, and hosting other events and competitions outside of the Sevens.

In 2024 HKCR continued to rebuild our balance sheet. Net assets for the year ended 30 April 2024 were HK\$184.1m, an increase of HK\$31.7m compared to HK\$152.4m as at 30 April 2023. This was primarily the result of the profits derived from hosting the Sevens during the year, as well as an increase in the value of the investment portfolio.

The full financial statements are set out on pages 100 to 137.

Looking Ahead

Despite the success of the current and prior year financially, there remain a number of material uncertainties going forward that necessitate a degree of caution for HKCR.

As reported last year, the challenge of the move to Kai Tak Sports Park creates additional financial uncertainty. While we believe the new fit-for-purpose stadium will deliver a world-class event, the change of venue does bring a certain number of unknowns, and it would be presumptive to believe that the extra 10,000 seats at Kai Tak will be easily filled. The commercial and marketing teams will have a key focus on this going forward and will be looking for ways to maximise returns from our primary source of income while delivering the best event experience Hong Kong has to offer. Ticket and hospitality sales at the 2025 Sevens will continue to be a key determinant in the financial success of HKCR for the foreseeable future.

At the time of writing, discussions are well underway with an agreement with World Rugby to host the upcoming Hong Kong Sevens tournament, and whilst these discussions are always challenging, I remain confident that we will have an agreeable outcome for HKCR, which will aim to remove some of the future uncertainties that we are facing.

Discussions are also progressing on other secondary events that could be run by HKCR with the aim of enhancing the offerings available to both local and visiting spectators and diversifying the revenue base of HKCR.

Acknowledgements

Finally, I would like to acknowledge and thank all the staff at HKCR and, particularly from my perspective, the executive management and the finance team, for their diligence and professionalism in returning the Union to a more stable position and managing the diverse needs of stakeholders. I have every confidence in their ability to manage the upcoming challenges

I referred to earlier in my report and to lead the Union from strength to strength.

As a final note, I would like to place on record my thanks to Robbie McRobbie for helping lead the business through exceptionally challenging times, and I wish his successor James all the best in his new role.

Martin Murray

Director, Finance

我很高興以中國香港欖球總會（欖總）財務董事的身份，提交截至2024年4月30日為止年度的財務報告。欖總成功舉辦了香港國際七人欖球賽2024，門票悉數售罄，場內場外均表現出色，這有助於公司從因新冠疫情而被迫取消賽事的艱難時期中持續復甦。

本屆賽事吸引了大量海外訪客，對欖總和香港本身而言都是極好的消息。海外訪客的增加顯著促進了門票銷售，為海外和本地球迷留下難忘的香港大球場回憶。欖總以能夠在最前線向世界展示香港的魅力為榮，並將運用我們舉辦世界級賽事的專業知識，尋找更多機會，向全球展現香港。

本年度在成本管理方面的努力，以及為提升入座率及收入所採取的措施，有助穩定資產負債表，使欖總能夠增加對本地賽事的投資，恢復對所有超級聯賽球會的總經理資助。此外，未來還計劃增加對球會的資助，並將於2024/25賽季引入女子球會教練，具有重要的里程碑意義。

在本財政年度內，賽事的佳績（尤其在亞運會男子七人欖球代表隊奪得金牌、女子七人欖球代表隊亦獲得銅牌）都有助確保我們的精英運動員獲得香港體育學院的資助。這些資助對於確保我們的七人欖球隊保持專業水平、具足夠實力在亞洲和國際賽場上競爭，至關重要。

2023/2024 財務表現

本年度截至2024年4月30日，中國香港欖球總會在扣除金融資產價值變動及稅項前錄得營業利潤為港幣\$26,400,000（2023年：盈利港幣\$65,400,000）。收入和支出均較上年度有所減少，主要原因是本年度只舉辦了一次香港國際七人欖球賽，對比上一年度舉辦的兩次。本屆賽事的盈利能力較前兩屆有所提升，主要是由於門票全數售罄，因此門票銷售顯著高於2023及2022年的賽事。欖總達致盈利，使疫情後的重建工作得以持續。

七欖以外的營運成本增加了港幣\$15,200,000，達到港幣\$106,700,000。主要來自擴大贊助社區計劃、增加人力資源（特別在欖球業務方面），以及舉辦七欖賽事以外的其他活動和比賽。

2024年，欖總繼續重建資產負債表。截至2024年4月30日為止年度的淨資產為港幣\$184,100,000，較2023年4月30日的港幣\$152,400,000增加了港幣\$31,700,000。主要是來自年內舉辦七欖賽事所獲得的利潤，以及投資組合價值增加。

完整的財務報表載於第100至137頁。

展望未來

儘管本年度和上一年度在財務上取得成功，但未來仍存在一些重大不確定因素，這使得欖總在未來需要保持一定程度的謹慎。

正如在去年報告中提到，七欖賽事移師至啟德體育園將帶來額外的財務不確定性。雖然我們相信這個專為賽事而設的新場館將為我們帶來一個世界級的賽事，但場地的變更確實亦帶來一些未知數。因此，如果認為啟德體育園多出的10,000個座位將會輕易售罄，實屬言之尚早。商業和市場營銷團隊未來將把重點放在這一方面，尋求方法從我們的主要收入來源中獲得最大回報，同時呈獻香港所能提供的最佳盛事體驗。在可見的未來，2025年七欖賽事的門票和款待禮遇銷售仍會是決定欖總財務成功與否的關鍵因素。

在撰寫本報告期間，我們正與世界欖球總會進行深入討論，就即將舉行的香港國際七人欖球賽達成協議。雖然這些討論總是充滿挑戰，但我仍抱有信心，我們將為欖總取得一個令人滿意的結果，以消弭未來有機會面臨的一些不確定性。

此外，我們正為可由欖總舉辦的次要賽事進行積極討論，務求為本地及訪港觀眾提供更多精彩賽事，並使欖總的收入來源更趨多元化。

致謝

我要感謝中國香港欖球總會全體員工，特別是行政管理層及財務團隊，致力為本會恢復更穩定的狀態，並管理各方持份者的不同需求，盡心盡力及展現專業精神。我有信心他們能應付本人較早前於本報告提到的挑戰，相信他們能領導本會持續壯大。

作為結語，我想鄭重感謝麥偉彬（Robbie McRobbie）在極具挑戰的時期幫助領導業務，並祝願他的繼任人華哲思（James Farndon）在新崗位上一切順利。

Event Summary

The 2024 Cathay/HSBC Hong Kong Sevens was the sixth tournament in the freshly rebranded HSBC SVNS Series. The event saw the top 12 teams in both the men's and women's competitions compete on the main stage, as well as a newly created side competition called the Melrose Claymores tournament, which saw Hong Kong China, Japan and China compete in the men's tournament, and Hong Kong China, Thailand and China compete in the women's tournament. Hong Kong China men won the Melrose Claymore beating Japan 22-12 in the Final, China women saw off the hosts 24-10 to secure their Claymore, and New Zealand picked up a double in winning both the men's and women's Cathay/HSBC Hong Kong Sevens tournaments in emphatic style. New Zealand men beat France 10-7, while New Zealand women comfortably beat the USA 36-7.

The HK7s event sold out for the first time post-COVID and an impressive 28% of the total audience were overseas visitors. This included 40% of buyers through public ticket sales being from overseas.

The event celebrated 30 years at the Hong Kong Stadium, and the event tagline was aptly branded "The Greatest Hits" where we took the opportunity to look back on some iconic and unforgettable moments during our rich history at the venue. This created a viral social media campaign that engaged with past players, rugby legends, performers and fans alike. In total, 31 posts across 31 days reached a combined audience of over 9 million across 5 social media platforms.

An influx of rugby legends returned to the city to take on the prestigious role as HK7s Ambassadors, including Waisale Serevi, David Campese, DJ Forbes, Huriana Manuel, Christy Cheng, Maggie Alphonsi, James Haskell, John Barclay, Jamie Roberts, Benjamin Keyser and Heather Fisher.

Mike Tindall, James Haskell and Alex Payne, from the award-winning podcast: The Good The Bad and The Rugby, joined us and recorded a first for the HK7s - an in-stadium live podcast where they interviewed former players and rugby royalty.

James and Oliver Phelps, who played the Weasley twins in the Harry Potter movies, were in attendance promoting Hong Kong tourism. They were joined by former Liverpool Football stars David James and Sami Hyypia, who were in Hong Kong supporting Carlsberg following the successful launch of a limited-edition HK Sevens beer can, created to pay tribute to the iconic Hong Kong Stadium.

Sevens week was also back in full swing with over 30 events returning to the calendar, including the Tradition HKFC 10s, Kowloon RugbyFest, The Hong Kong Club Dinner, The Doddie Weir Dinner, Austcham Cocktail Reception, The KPMG/Britcham Dinner, The HKU Sandy Bay Dinner, The Valley Long Lunch, The Carbine Club Long Lunch, The Christina Noble Children's Foundation Ladies Long Lunch, Sport Matters North Asia and The Hong Kong Scottish Brunch.

Medical Symposium

Our medical team recruited, trained and managed over 100 volunteers to provide a world-class medical service for participating teams and officials during the Cathay/HSBC Hong Kong Sevens. We also relaunched The Hong Kong International Sports and Emergency Medicine (HKISEM) Conference, expanding into a two-day conference hosted at Gleneagles Hospital Hong Kong.

The conference hosted 150 attendees over two days of informative and interactive sessions and workshops on the latest trends in cardiology, brain health, psychological support and nutrition - and was expertly delivered by local and international speakers.

Sports and Sustainability Summit

HKCR, in association with Brand Hong Kong and Laureus Sport For Good, delivered the inaugural Sport and Sustainability Summit at The Fullerton Hotel. 150 guests were in attendance to listen to industry experts and sporting icons, including Jamie Fardale, Sir Steve Redgrave, Sean Fitzpatrick, Huriana Manuel and Nolli Waterman. Topics discussed included how sport can positively impact social change and the importance of creating a sustainable circular economy relating to sports and events.

Entertainment

Friday evening saw Cantopop girl band Lolly Talk perform as the opening act, followed by former America's Got Talent semi-finalist Celine Tam who got the crowd on their feet with her memorable rendition of "Sweet Caroline". An incredible pyrotechnic display set the scene for former England rugby star turned DJ, James Haskell, who was on the decks in front of the South Stand who were all fired up for the self-proclaimed "Archbishop of Banterbury's" playlist.

Saturday saw The Wailers perform a set of reggae standards, which the enthusiastic crowd thoroughly enjoyed, and Sunday's crescendo saw Journey frontman Arnel Pineda delivering all the classics, which the 40,000 packed-out stadium couldn't help but sing along to.

Insights

World Rugby's wrap-up report saw HKCR receive an impressive 92% rating for the successful delivery of the event, whilst Cimigo Market researchers, who conducted on-event fan questionnaires and surveys, showed an event satisfaction score of 96%, of which fans would highly recommend the event to friends or family. The overall net promoter score received of 70 places the event in the exceptional range. Additionally, 90% of visitors believed that the Sevens enhanced their overall satisfaction levels in Hong Kong. The average time spent in the stadium was 7.6 hours per day, and around 30% of the overseas visitors were first-time travellers to Hong Kong, with the majority of them stating that the Sevens was a pull factor to visit the city.

The event received extensive global media exposure, with 8,613 Social Media mentions, 7,832 Online News mentions and 8,181 total News Clippings. Social media continued on from 2023 as the second-highest performing media for overall event media exposure.

Global broadcast statistics saw the total cumulative audience grow from 884,000 in 2023 to an astounding 4,870,000 in 2024. The total viewing hours reached 3,330,000 – with South Africa being the highest viewing market. The total media value generated for the event was US \$72,300,000, which was an increase of 110% compared to 2023 (Note: broadcast and media value statistics are provided by Nielson).

John Lee Ka-Chiu, Chief Executive of Hong Kong SAR, attended the event to hand out the trophies to the winning teams alongside World Rugby delegates, including World Rugby Vice Chairman John Jefferies and Chief Executive Officer Alan Gilpin.

Senior Rugby Player Base and Community Leagues:

This season, we experienced a growth of 22% in our player base, with a total registration of 2,994 players (2,091 men and 903 women). This figure is slightly ahead of the 2021/22 season. A total of 52 teams (45 men's and 23 women's) participated in the senior community leagues.

Men's Leagues

On the men's side, we agreed on a league framework during the off-season, which allowed us to kick-start the three divisions of Championship Leagues, along with two community divisions for the next three seasons. This season, we welcomed the inclusion of the Shenzhen Pirates, marking their first appearance since the departure of the PLA team. The Shenzhen Pirates performed exceptionally well, winning both the League and Grand Championship in the Championship 1 Division. We are excited about the prospect of more engagement within the Greater Bay Area in the coming seasons.

Women's Leagues

On the women's side, several championship teams had premiership aspirations. A ranking round of 10 teams was played before a split into Championship A and B for the second half of the season. Congratulations to HKU Sandy Bay for winning both the League and Grand Championship, and in doing so earning promotion to join the Premiership as a 7th team for the coming season. The Women's Community Division played out as 12-a-side rugby, providing opportunities for clubs and teams to recruit and rebuild for the upcoming seasons.

Nan Fung Group | SEWIT Hong Kong Premiership

The opening match of the Nan Fung Group | SEWIT Men's Premiership Super Saturday saw a repeat of the 2022/23 Final, in which HKFC Natixis Club defeated Societe Generale Valley RFC. DAC Kowloon RFC and HKU Sandy Bay RFC also opened up their seasons with wins over Kroll USRC Tigers RFC and KPMG Hong Kong Scottish RFC respectively.

It was not until the very last day of the regular season that the league winners were crowned, as HKFC Natixis Club lifted the trophy thanks to a higher points difference than second places HKU Sandy Bay RFC.

The Nan Fung Group | SEWIT Women's Premiership began later this season as Hong Kong China's representative 15s team prepared for a fixture in Dubai. Women's Super Saturday was held on 17 February, and fans were treated to an incredible 174 points scored across the three matches.

Similar to the Men's Premiership, HKFC Natixis Ice secured the league title on the final day of the season. Two competitive semi-finals were set up as Societe Generale Valley RFC, Kroll USRC Tigers RFC and DAC Kowloon RFC all made the top 4.

Grand Finals Day opened with the men's Premiership A Final, as HKFC Natixis Dragons beat DAC Kowloon RFC 26-23 in extra time. In the women's Premiership Final Societe Generale RFC retained the trophy as they defeated HKFC Natixis Ice 11-3 in a repeat of the 2023 final. Finally, KPMG Hong Kong Scottish RFC were defeated in their second Premiership Final appearance by HKFC Natixis Club, who ran out 15-6 winners.

Youth Leagues Player Base and Age Grades:

In the 2023-24 season, we experienced a steady increase in the overall player base, with a total of 1,556 players taking the field.

Boys' Age Grades:

During the first half of the season, our focus remained on the XV games for the boys. To encourage better participation, the community agreed to combine the U13 and U14 age grades for one more season. However, there is a clear plan to resume a clear split of these age grades for the 2024-25 season.

Girls' Age Grades:

On the girls' front, there was a fantastic effort of collaboration within the community. Clubs joined forces to form competitive teams, providing players with meaningful competition opportunities while we continue to rebuild. Although the girls played a modified format of 10s this season, they were able to participate in several XV tournaments in January, allowing for game development and preparation for the upcoming seasons.

We would like to extend our gratitude to Hysan Development for their continued support in the development of youth rugby in Hong Kong. Not only have they supported the Hysan Domestic Season, but they have also expanded their support to include girls in the year-end U14 Development Camp. Additionally, they have established a key performance link through the Hysan Youth Academy, further enhancing our rugby development initiatives.

Development Camps

Before the Christmas break, we organised a training camp for U14s. Thanks to the continuous support of Hysan, we were able to extend the camps this year for both boys and girls, giving them the opportunity to participate in a comprehensive training program that focused on contact skills and game understanding. The aim was to prepare them for U16 rugby the following year. Selected coaches provided valuable insights and contact drills to the U14 groups, which were well received by all participants.

Jockey Club All About Rugby - Rugby Magic

In its third and final year for girls, the programme integrated domestic 15s league training, which was overseen by Kevin West. The objective was to provide a solid foundation in the concept of 15s rugby for U14-U18 girls. Starting from last season, U12 girls were included, and this year, U9-U11 girls also joined. This allowed us to provide early support for these younger age groups, especially in terms of contact skills and scrummaging techniques, promoting safety rugby across the board.

Hysan Youth Rugby Competition

Rugby 7s continued in the second half of the season, culminating in the highly-anticipated Premiership Finals. These took place again at the Hong Kong Stadium as a curtain-raiser

before the world series teams took to the field for the 2024 Cathay/HSBC Hong Kong Sevens. Players from all three age grades had the opportunity to run out on the stadium turf one last time before the event's anticipated move to Kai Tak Sports Park in 2025.

New Year's Day Tournament

The 56th New Year's Day Youth Rugby Tournament once again showcased the best players between the ages of 15 and 18. One of the highlights was the Hong Kong Dragons vs Overseas Lions matches for both U16 and U18 boys and girls. Additionally, the boys U19s match served as a talent identification opportunity for Hong Kong China's coaches ahead of the World Rugby U20 Trophy in Scotland in July. The team qualified for the tournament thanks to a victory in the Asia Rugby Men's U19s Championship in Hong Kong in December 2023.

We are grateful to over 28 local coaches and senior players, including current and former representatives, who supported the four teams in this annual tournament. Special thanks go to Hysan Development, First Point USA and Hong Kong Football Club for their continuous support of this important event.

Mini Rugby Player Base and Age Grades:

The World Challenge Cup kicked off the 2023-24 season, with over 350 U11 and U12 boys and girls taking the field at King's Park, representing the 12 RWC nations.

Mini Festivals, Richard Hawkes Trophy and Kim Lam Cup Competitions

All major festivals were back in full swing with Tigers, Sandy Bay, Valley Fort and HKFC hosting the mini communities, with Flying Kukris, Tai Po, Sha Tin and Aberdeen contributing additional festivals. These collectively provided a comprehensive season of engagement for the mini community.

Both the Richard Hawkes Trophy and Kim Lam Cup competitions were back in January 2024, returning after the pandemic to their traditional formats. It was great to continue to witness resilience from the community, with both kids and parents continuing to participate and support.

Mini Rugby @HK7s

A remarkable farewell took place at So Kon Po Stadium, as 1,500 mini rugby players, along with their parents, bid their goodbyes. They took part in the Cathy/HSBC Hong Kong Sevens mini showcase and participated in the march past for one last time. The stadium was completely sold out, and it was truly remarkable to witness the next generation of players - along with their passionate parents and volunteers - who are key contributors to the uniqueness of the Hong Kong tournament. We extend our heartfelt thanks to George Vanberg for his exceptional efforts, with 2024 being his final showcase as coordinator.

成人欖球 球員庫及社區聯賽：

在本賽季，我們的球員總數增長達22%，註冊球員總數達到2,994人（2,091名男子球員及903名女子球員），數字略高於2021/22賽季。共有52支球隊（45支男子隊及23支女子隊）參加了成人社區聯賽。

男子聯賽

在男子聯賽方面，我們在休賽期間就聯賽框架達成共識，使我們能夠在未來三個賽季開展三個級別的冠軍聯賽及兩個級別的社區聯賽。在本賽季，我們歡迎深圳海盜隊的加入，這是自解放軍隊離開後他們首次的亮相。深圳海盜隊表現出色，同時贏得冠軍聯賽第一級別聯賽及季後總決賽冠軍。我們期待未來幾個賽季，我們能在粵港澳大灣區實現提升參與度的目標。

女子聯賽

在女子聯賽方面，幾支冠軍聯賽球隊都渴望升班為超級聯賽球隊。10支球隊進行了一輪排名賽後，在下半季被分成冠軍聯賽A及B級別作賽。恭喜香港大學沙灣欖球會同時贏得聯賽及季後總決賽的冠軍，因而取得在來季升班的資格，成為第七支超級聯賽球隊。女子社區級別進行12人制比賽，為球會及球隊就未來球季招攬球員及重建工作，提供更多機遇。

南豐集團 | SEWIT本地超級欖球聯賽

南豐集團 | SEWIT男子超級聯賽超級星期六重演2022/23年決賽爭冠戲碼，當時由Natixis香港足球會擊敗法興華利欖球會；另DAC九龍欖球會及香港大學沙灣欖球會則分別擊敗 Kroll 三軍會猛虎欖球會及畢馬威香港蘇格蘭人欖球會，為全新賽季揭開序幕。

戰況激烈，直至常規賽季最後一日，方知鹿死誰手，Natixis香港足球會以比第二名香港大學沙灣隊較高的積分差，捧起超聯獎盃。

因為中國香港女子15人欖球代表隊當時正備戰杜拜舉行的賽事，故本賽季的南豐集團 | SEWIT女子超級聯賽的開季時間稍遲。女子超級星期六於2月17日舉行，三場比賽為積分榜帶來總共174分進賬，觀眾當然大飽眼福。

與男子超級聯賽類似，Natixis香港足球會Ice在賽季最後一天鎖定聯賽冠軍。兩場準決賽同樣戰況激烈，法興華利欖球會、Kroll三軍會猛虎欖球會及DAC九龍欖球會排名前四。

季後總決賽以「男子超級聯賽A」的決賽開始，Natixis香港足球會Dragons在加時期間，中以26-23擊敗DAC九龍欖球會。在女子超級聯賽決賽亦重演去季決賽戲碼，最後法興華利欖球會以11-3擊敗 Natixis香港足球會成功衛冕。男子超級聯賽組別方面，畢馬威香港蘇格蘭人第二次晉身決賽，惟不敵Natixis香港足球會，後者以15-6捧走獎盃。

社區季後總決賽

社區季後總決賽為本賽季畫上了完美的句號。來自全部八個男、女子級別的球隊齊聚香港欖球之家—京士柏運動場，為社區帶來了一整天的既有趣又富競技性的欖球活動。

青少年聯賽

球員庫及年齡組別：

在2023-24賽季，球員總數穩步增長，共有1,556名球員上場比賽。

男子年齡組別

在前半個賽季，男子的重點仍然是15人欖球比賽。為鼓勵更多人參與，欖球社區同意將U13及U14年齡組別合併多一個賽季。不過，我們已經制定明確計劃，將在2024-25賽季重新明確劃分這兩個年齡組別。

女子年齡組別

在女子方面，社區內部有非常卓越的合作。球會之間聯手組建具競爭性的隊伍，在持續重建的這段時期為球員們提供具意義的比賽機會。雖然本賽季女子聯賽調整為10人賽制，但球員們仍能夠在一月參加了幾項15人制的錦標賽，為即將到來的賽季做好比賽的發展及準備。

我們衷心感謝希慎興業對香港青少年欖球發展的持續支持。他們不僅支持希慎本地賽季，更進一步支持女子球員參與年終的青少年U14欖球訓練營。此外，他們還通過希慎青少年欖球學院建立了關鍵績效指標，進一步加強了我們的欖球發展計劃。

訓練營

在聖誕假期之前，我們為U14年齡組別舉辦了一次訓練營。感謝希慎的

持續支持，使得男子及女子球員皆能夠參與今年的訓練營，給予他們機會參加以接觸技巧及理解球賽為重點的綜合訓練。訓練目的是讓他們為來年參與U16欖球做好準備。經挑選的教練為U14組別提供了寶貴的意見及接觸訓練，獲得全體學員的喜愛。

賽馬會欖球齊起動計劃 — 「欖」雄心 — Rugby Magic計劃

本計劃是由Kevin West監督的本地15人欖球聯賽訓練，為計劃的第三年、也是最後一年進行。目的是讓U14至U18女子球員打下紮實的15人制欖球基礎。從上個賽季開始，這項計劃涵蓋至U12女孩子，今年更增加U9至U11女孩子。這個安排讓我們能夠為這些年齡較小的組別提供早期支援，尤其是針對接觸及鬥牛技巧，全面地推廣安全欖球。

希慎青少年欖球錦標賽

七人欖球賽在下半賽季繼續進行，以備受矚目的超級聯賽決賽告終。在世界七人欖球系列賽的球隊出戰「國泰/滙豐香港國際七人欖球賽」之前，這幾場青少年決賽成為了香港大球場的揭幕戰。抱著2025年度賽事將移師啟德體育園的期盼，三個年齡組別的球員都把握最後一次機會在大球場草地馳騁。

元旦日青少年欖球錦標賽

第56屆「元旦青少年欖球錦標賽」再次展現一眾最出色的15至18歲球員。U16及U18男、女子組中，香港龍隊對海外獅隊的比賽都成為了賽事的亮點。U20世界青年欖球盃於7月在蘇格蘭舉行之前，元旦錦標賽U19男子組別的賽事也正好讓中國香港隊教練們發掘優秀的球員。男子隊於2023年12月在香港舉行的亞洲U19欖球錦標賽封王，取得上述世界青年欖球盃的參加資格。

我們非常感謝超過28位本地教練及資深球員，包括現任及前任代表隊成員，在此項年度賽事中支持參賽的四支球隊。亦特別感謝希慎興業、First Point USA及香港足球會一直以來支持這項重要賽事。

小型欖球

小型欖球世界挑戰盃開展了2023-24賽季，超過350名U11及U12的男、女子球員代表12支欖球世界盃參賽國家球隊，集結京士柏運動場。

小型欖球節、Richard Hawkes欖球盃及林鄭蘭香欖球盃比賽

所有主要欖球節都已全面回歸，由猛虎欖球會、香港大學沙灣欖球會、華利欖球會Fort及香港足球會主辦。另外，Flying Kukris、大埔、沙田及香港仔也舉辦了欖球節，讓小型欖球社區得以從多方面參與整個球季。

在新冠疫情結束後，Richard Hawkes欖球盃及林鄭蘭香欖球盃於2024年1月以傳統形式回歸。孩子和家長們的持續參與及支持正正見證了社區的復原力。

- 林鄭蘭香欖球盃：USRC (vs HKFC), DBP1, DBP2

小型欖球@香港國際七人欖球賽

1,500名小型欖球員與家長們一起惜別掃桿埔香港大球場。他們在國泰/滙豐香港國際七人欖球賽中，參與了最後一次的小型表演賽及欖球會巡遊。當日場內座無虛席，我們見證了年輕一代的球員、熱情的家長和義工們，他們正是令香港國際七人欖球賽變得獨特的重要一環。我們衷心感謝George Vanberg付出的非凡努力，他在2024年最後一次擔任統籌。

PROMOTING THE GAME 推廣欖球運動

Tertiary Rugby

Tertiary rugby plays a crucial role in the development of local rugby clubs and provides opportunities for young and new players to engage in the sport. It serves as a platform for participants to stay involved in rugby and offers an alternative pathway to enter the game. Moving forward, we aim to foster greater interaction between tertiary institutions and local rugby clubs.

In the 2023-24 season, we witnessed a resurgence in player participation in tertiary rugby, with over 400 players (265 males and 205 females) from 13 institutions registering for the season. This marks an increase in player numbers compared to the previous year, following the challenges posed by COVID.

HKCR organised a total of four rugby tournaments/competitions for tertiary rugby during the season, which involved a total of 64 teams:

1. Tertiary Rugby Invitations Sevens Tournament 2023-24: 9 men's teams and 8 women's teams (including 2 tertiary teams from China).

2. USFHK Rugby Sevens Competition 2023-2024: 11 men's teams and 7 women's teams.
3. Tertiary Rugby Sevens Tournament (XRugby) 2024: 8 men's teams and 5 women's teams.
4. Tertiary Touch Championships 2024: 6 men's teams, 5 women's teams and 5 mixed teams.

Among these tournaments, the Tertiary Rugby Invitations Sevens Tournament and the collaboration with the USFHK Rugby Sevens Competition received the most attention from institutions. The Tertiary Rugby Sevens Tournament (XRugby) and Tertiary Touch Championships provided opportunities for new players from institutions to compete and gain valuable experience in playing rugby.

School Rugby

School rugby plays a vital role in the growth and foundation of the game. After three seasons impacted by COVID, both local and international schools have used this season as a restart for the sport. International schools have transitioned to a 7s format, while local schools have adopted XRugby for their secondary school competition.

School rugby is an indispensable component of the promotion and development of rugby in the community. After a full season of transition, international schools have reintroduced some age grades in the 10s format, while local schools have gradually returned to the traditional 7s rugby format.

Hong Kong School Rugby Union

In the first full season back, the number of participants increased in all age grades, except for A Grade Girls, which experienced a drop in numbers. However, significant efforts were made to build up Boys A, Girls B and Girls C grades in both the 7s and 10s formats this season.

A wrap-up tournament was held for Boys and Girls A Grades at school, with 8 boys and 2 girls teams participating. Congratulations to Kellett School and the Barbarians team for winning the 2023 Bill Williams 7s for boys and girls.

With the support of the Hong Kong Jockey Club, the Jockey Club Bill William International School 7s returned during the Cathy Pacific/HSBC Hong Kong Sevens in November 2023. Eight boys and five girls teams participated, with congratulations to West Island School for winning the 2023 Bill Williams 7s for both boys and girls.

The alignment of the school and club game will continue to be key to success going forward, as both organisations benefit from a well-balanced playing schedule for youth to build the playing base in the community.

We would like to take this opportunity to thank Scott Davidson for his commitment and leadership during the past couple of years. Scott will step down as Chairman and take on the role of Treasurer of the School Rugby Union. We also welcome Gavin Boak and Hong Kong China Rugby representative Jamie Hood to the committee, who will assume the roles of Chairman and Secretary, respectively.

中學

在「賽馬會欖球齊起動計劃 — 「欖」雄心」的支持下，我們得以繼續與中學保持合作。在2023-24賽季，80所學校及54支學校球隊繼續開展欖球項目。

香港學界體育聯會 — 認可七人欖球為聯會的運動項目。在2023-24年第二個過渡賽季，男子甲組回歸傳統的全場7人欖球賽制，而乙組及丙組則維持10人欖球賽制。

香港學界體育聯會校際比賽繼上一個完整賽季後再度舉行，實在令人鼓舞。共有 83 支隊伍、800 多名中學生參加了比賽。

小學非撞式欖球

2023-24年度的「賽馬會欖球齊起動計劃 — 「欖」雄心」再度受到熱烈歡迎，透過抽籤程序選出80多所學校參加。

「非撞式欖球」是香港學界體育聯會認可的小學運動項目。我們樂見超過100所本地小學參加了球季的非撞式欖球活動，其中65所學校於2024年3月參了香港學界體育聯會的賽事。恭喜聖若瑟小學及伊利沙伯中學舊生會小學，贏得全港賽事。

滙豐小學非撞式欖球賽 — 一年一度舉行的滙豐比賽回歸，超過750名來自28所小學的學生參加。恭喜以下學校勝出各組別（優勝隊伍刊於p.45）。

DARE計劃

希慎地區小學非撞式欖球系列賽 — 為了吸引更多小學生參與、以及為他們提供更多的比賽機會，希慎於2023-24賽季在三個地區推行了試行計劃。這項以地區為本的學校欖球參與計劃在新界西、新界東及香港/九龍舉辦了9場賽事。賽事有來自36所小學、超過1,255名學生參加，共有53支隊伍參賽。

HONG KONG CHINA TOUCH

中國香港非撞式欖球總會

We are pleased to announce that the Hong Kong Touch Association has undergone a name change to Hong Kong China Touch for the 2023-24 season, aligning with the rebranding of Hong Kong China Rugby. This represents an exciting new chapter for our organisation.

Touch plays a vital role in the development of local and school rugby. It not only offers an alternative option for participants to stay involved in the game, but also provides an alternative pathway to get into the game. In the 2023-24 season, we saw a significant increase in player participation numbers, with over 1,800 adult players (1,058 males and 764 females) registered, marking a 12% year-on-year increase.

Throughout the season, HKCT continued to organise various domestic Touch Leagues, including the Summer and Winter Touch Leagues, as well as the Youth Summer Touch Leagues. Additionally, we successfully brought back the Hong Kong International Touch Championship 2024, which took place a week before the Hong Kong Sevens.

2024 was a particularly significant year for touch in Hong Kong, as we took part in the Touch World Cup in Nottingham in July. Hong Kong China sent over 100 members, including players, coaches, referees and management, making it the largest contingent to participate in a Touch World Cup since pre-COVID times. As a pilot and in preparation for the July event, Hong Kong China Touch organised four teams (Men's and Women's Open, Men's 30, and Women's 27) for a hugely successful tour of Singapore.

Executive Committee and Membership Club

The Executive Committee, led by Chairperson Diana Li, and consisting of membership club representatives Alex Tsang and Eric Li, as well as staff members Kai Hang Fung and Wai Ting Ho, has shown continuous vision, passion, and support for the growth of the game of Touch in Hong Kong.

In the 2023-24 season, we confirmed the registration of 13 touch clubs under Hong Kong China Touch. All membership clubs have the opportunity to be nominated and voted into the Executive Committee for the upcoming 2024-25 season, taking over from the existing committee.

Summer and Winter Touch Leagues, Youth Summer Touch Leagues

The Summer Touch Leagues, which ran from May to mid-August 2023, saw a total of 14 game days and 63 teams participating across three divisions: Premiership, Championship Leagues and Community Competitions. The results of the summer league will contribute to the ongoing development of the three-tier league structure, including a promotion-relegation mechanism for the top two divisions.

The Youth Summer Touch Leagues, held from June to August 2023, featured eight game days and 18 teams, with over 250 youth players participating across three divisions: U16 Boys, U19 Boys and Girls. We recognise that youth touch rugby is important as a platform for young players to develop their skills and introduce the sport to schools and parents.

The Touch Winter League took place from October 2023 to February 2024 and featured a mixed category. This provided a different format for the second half of the season, allowing clubs to engage their members throughout the year. The league saw a fantastic response, with three levels of competition - Premiership, Championship and two divisions for the Community Leagues - and a total of 14 game days and 40 teams competing.

Touch Referee Development

To support the leagues and competitions, Hong Kong China Touch has continued to conduct FIT Introductory Referee courses throughout the year. This helps to grow the number of qualified touch referees in the community. Additionally, during the Hong Kong International Touch Championship 2024, we invited a FIT referee coach to conduct the FIT Intermediate Referee Course. Fourteen referees successfully completed the course and upgraded to become Intermediate Referees.

Furthermore, we plan to regularly run the FIT Intermediate Referee Course every year during the Hong Kong International Touch Championship/Summer Touch League (Premiership League). This provides an opportunity for local referees to continue their growth and become Intermediate Referees, as well as welcoming overseas referees to upgrade their referee level and contribute to making Hong Kong a touch referee development hub in Asia.

我們很高興地宣佈，香港非撞式欖球總會在2023-24賽季已更名為中國香港非撞式欖球總會，以配合中國香港欖球總會的品牌重塑，標誌我們的組織邁進令人振奮的新一頁。

非撞式欖球對地區及學校欖球運動的發展至關重要。它不僅給予參加者一個另類選擇，讓他們持續參與比賽，還提供了投入欖球比賽的另類途徑。在2023-24賽季，我們看到了參與人數大幅增加，有超過1,800名成人球員註冊(1058名男性及764名女性)，比上一賽季增長了12%。

中國香港非撞式欖球總會在本賽季繼續舉辦本地非撞式欖球聯賽，包括非撞式欖球夏季及冬季聯賽，以及青少年非撞式欖球夏季聯賽。此外，我們亦成功重辦香港國際非撞式欖球錦標賽2024，在香港國際七人欖球賽前一星期舉行。

2024年是對香港非撞式欖球運動來說意義非凡的一年，因為我們於7月在諾丁漢參加了非撞式欖球世界盃。中國香港派出了100多名成員，包括球員、教練、球證及管理人員，為新冠疫情之前參加非撞式欖球世界盃的最龐大陣容。作為7月賽事的試點及賽前準備，中國香港非撞式欖球組織了四支隊伍（男子公開組、女子公開組、男子30歲或以上組別及女子27歲或以上組別）到新加坡參與了一場非常成功的巡迴比賽。

執行委員會及會員球會

執行委員會由主席李怡苑領導，成員包括會員球會代表Alex Tsang及Eric Li，以及工作人員馮啟恆及何偉庭。他們對推動香港的非撞式欖球運動展示了持續的遠見、熱情及支持。

在2023-24賽季，中國香港非撞式欖球總會確認註冊了13個非撞式欖球球會。所有會員球會均有機會被提名及被投票入選來屆2024-25賽季的執行委員會，接替現有的委員會。

非撞式欖球夏季及冬季聯賽、青少年非撞式欖球夏季聯賽

非撞式欖球夏季聯賽由2023年5月開始至8月中旬結束，共經歷14個比賽日，63支球隊分別在三個級別（超級聯賽、冠軍聯賽及社區比賽）作賽。夏季聯賽的賽果將決定此三級聯賽架構往後的發展，包括首兩個級別的升、降班機制。

青少年非撞式欖球夏季聯賽於2023年6月至8月舉行，共經歷8個比賽日，18支球隊共250多名青少年球員在三個級別（U16男子組、U19男子組及女子組）作賽。我們了解到青少年非撞式欖球的重要性在於提供一個平台，讓年輕球員得以磨練技術，以及將這項運動推廣給學校及家長。

非撞式欖球冬季聯賽於2023年10月至2024年2月舉行，設有混合組。這安排為下半個賽季提供了一個不同的比賽模式，讓球會在全年都可以吸引會員參與。聯賽反應熱烈，共設三個級別的比賽——超級聯賽、冠軍聯賽及兩個級別的社區聯賽，40支球隊在14個比賽日參賽。

非撞式欖球球證發展

為支持聯賽及比賽，中國香港非撞式欖球總會繼續於年內舉辦國際非撞式欖球聯盟(FIT)球證基礎課程。這有助增加欖球社區中合資格非撞式欖球球證的數目。此外，在香港國際非撞式欖球錦標賽2024期間，我們邀請了一位FIT球證教練教授FIT中級球證課程。14名球證順利完成課程，晉升為中級球證。

此外，我們計劃每年在香港國際非撞式欖球錦標賽或非撞式欖球夏季聯賽(超級聯賽)期間定期舉辦FIT中級球證課程。此安排為本地球證提供了一個持續進步並成為中級球證的機會，同時亦歡迎海外球證到來提升他們的裁判水平，為香港成為亞洲非撞式欖球球證發展中心，作出貢獻。

2023/24 At A Glance

Rugby For Good celebrated our **tenth anniversary this year** as we refreshed our brand and sharpened our approach to ensure that we are well positioned to embrace the next decade of our journey in bringing rugby to diverse communities in Hong Kong.

A Name Change

To mark our commitment to supporting the diverse communities in Hong Kong, we have refreshed the brand of the Hong Kong Rugby Union Community Foundation to make what we do more accessible for everyone. Looking ahead, **we have become known as Rugby For Good**, encapsulating the heart of our mission. Rugby has a unique vaulted position in the cultural fabric of Hong Kong, and we want to use this as a driving force for positive change. At the same time, we have launched a new logo with two rugby balls meeting to form a heart. We hope this conveys the message that we are using sport to reach out to the hearts and minds of the people around us.

Refining Our Approach

The joy of rugby can be shared by everyone. At Rugby For Good, we want to harness the power of the game to build a more inclusive community and use it as a platform for positive change - bringing together people from all different walks of life and uniting them and making Hong Kong a better place for all. We have consolidated all of our play-based learning programmes around two primary areas of focus: Well-being & Social Inclusion. The organisation supports a variety of initiatives to empower young people, women and the wider community, helping them achieve their potential through the power of sport and education. **In short, our approach is built around clear principles:**

- i) Utilising rugby-inspired play-based learning;
- ii) Ensuring that all programming is intentionally designed to promote Well-being or Social Inclusion;
- iii) Leveraging measurable and data-driven processes to drive transformational change.

A DRIVING FORCE FOR GOOD.

ESG

Environment

We are working towards increasing our environmental sustainability and are taking key steps towards hosting "green" community events and tournaments, with an emphasis on eliminating plastic waste through the reduction of single use plastic (including water bottles) and moving towards sustainable, recycled and environmentally friendly trophies and souvenirs.

Some of the environmentally friendly initiatives that we have already started to implement are as follows:

- Collection and re-use of rugby kit through the Redbox collection container at King's Park
- The re-use and re-distribution of unbranded rugby balls
- Increase the use of trophies and medals made from environmentally friendly materials

Social

Sports and Sports for Development promote inclusivity, diversity, and equality by providing opportunities for individuals from different backgrounds, regardless of their gender, age, race, or socioeconomic status.

These initiatives also contribute to community development by fostering social cohesion, promoting teamwork and

enhancing interpersonal skills. Moreover, they can serve as a platform to address and raise awareness about social issues such as discrimination, violence and inequality.

For our Rugby For Good we will:

- Continue to promote and celebrate the diversity of our team
- Offer training workshops and professional development opportunities
- Organise social events

Governance

We undertake to uphold the highest principles of transparency, accountability and fair play, ensuring that rules and regulations are followed.

We will encourage ethical behavior, discourage corruption and promote good governance; by setting an example of responsible governance, we hope to inspire other sectors to adopt similar practices and contribute to a more ethical and well-governed society.

2023/24年度概覽

今年，橄欖成長基金慶祝成立十週年，我們完成品牌重塑，並改善營運手法，為品牌明確定位，致力將欖球運動帶入本地多元化社區，以迎接下一個十年的旅程。

重新命名

為體現我們建設多元社區的承諾，我們為香港欖球總會社區基金重塑品牌，讓大眾容易理解我們的工作。基金現已改名為「橄欖成長基金」，充分展現我們的核心使命。欖球在香港本地文化擁有獨特的位置，我們希望以這項運動推動社會正向力量。與此同時，我們為基金推出了全新標誌，將兩個欖球相連形成一顆心，以示我們致力透過體育感動人心。

重整策略

欖球之樂是人人都能享受。橄欖成長基金希望透過欖球的強大力量，建設更包容的社區和推動積極轉變的平台，團結各行各業的人，令香港成為更美好的地方。我們所有以遊戲為主的學習項目均圍繞著兩大理念：身心健康與社會共融。我們致力支持旨在賦予年輕人、女性和廣大社區更強大力量的舉措，好讓他們能透過體育和教育的力量發揮個人潛能。我們的策略建基於三大明確的原則：

- i) 所有學習活動均由欖球啟發、以遊戲學習為主；
- ii) 所有項目均以特定設計內容促進人們身心健康或社會共融；
- iii) 透過量度成效和數據驅動的流程來推動轉變。

推動正向的力量。

環境、社會及管理

環境

我們積極推動環境可持續性，舉辦綠色社區活動和錦標賽等關鍵環保項目，並減少使用即棄塑膠產品（包括膠樽等），從而為社區減少塑膠廢物。此外，我們已逐步轉用以回收物料製造的獎盃和紀念品，以配合我們的環保和環境可持續性方針。

我們已經開展的部分環保行動如下：

- 透過京士柏運動場的Redbox收集箱收集及重用舊的欖球會球衣
- 重複使用及分發沒有品牌印刷的欖球
- 使用更多以環保物料製成的獎盃和獎牌

社會

我們以體育促進發展的倡議為背景各異的人（不分性別、年齡、種族及社會經濟地位）帶來機會，從而促進社會共融、多元化和平等。

體育活動還有助增強社會凝聚力、促進團隊合作和幫助參加者改善人際交往能力，從而推動社區發展。體育亦為社會提供平台解決各種社會問題，並加強社會對包括歧視、暴力和不平等問題的認識。

橄欖成長基金團隊將會：

- 繼續推廣多元化員工隊伍
- 提供培訓工作坊及專業發展機會
- 提供社區參與的機會

管理

我們堅守透明、問責和公平競爭原則，確保所有規則和法規均得到遵守。

我們鼓勵人們行事時遵守道德規範、防止腐敗行為，並推廣良好治理。我們亦希望藉著負責任的治理，鼓勵其他界別採取同樣方式，從而提升社會治理及道德水平。

REPRESENTATIVE RUGBY

代表隊欖球

The Hong Kong China Men's XV's team hosted a two-test series against Germany in Hong Kong in November 2023, of which they won both games and had the opportunity to cap several new players as they work towards a new four-year cycle, with the aim to future-proof the team to 2031. The team then had a very successful training camp in Canberra and played a competitive game against the Brumbies in preparation for the newly formatted four-team 2024 Asia Rugby Men's Championship. Hong Kong China went on to beat the newly added UAE, Korea and Malaysia in June and were rewarded with their 5th consecutive championship title.

The 2024 Asia Rugby Women's Championship was held in Hong Kong, which resulted in Hong Kong China Women's XV's beating Kazakhstan and finishing second. This meant that our women qualified for the WXV global competition, in which they will pursue one of the final two qualifying spots at the Rugby World Cup 2025.

Hong Kong China Men's 7s team won gold, and the Women's 7s team won bronze at the Hangzhou Asian Games in September 2023. The men's team went on to finish second in the Asia Rugby Sevens Series while the women's team finished third, resulting in both teams qualifying for the World Rugby Challenger Series, in which the men finished 5th and the women finished 9th. Both Hong Kong China Men's and Women's 7s teams competed in the Olympic Qualification tournament in Osaka, Japan, in November 2023, where the men narrowly lost to Japan in the final and the women finished 3rd. This meant both teams qualified for the Olympic Repechage 2024, but neither team was able to go on and qualify for the Paris 2024 Olympic Games.

Our flagship event, the Cathay/HSBC Hong Kong Sevens, was successfully hosted in April 2024. Hong Kong China Men's 7s went on to win the inaugural Melrose Claymores tournament by beating Japan in the final, following a win over China and a loss to Japan in the group stages. Hong Kong China Women's 7s finished second after a loss to China in the final, but following impressive group stage wins against both China and Thailand.

The HKCR Performance Pathways programme has developed to the point that we now have an established HKCR and HKSI Academy programme focusing on U16 and U18 Hong Kong qualified players, as well as the launch of a local Hong Kong Talent ID Academy to target

and identify Hong Kong-born players within the HKSSF system. The Academy had its first U16 performance cultural tour to Japan in April 2023, whilst the U18 boys HKSI team competed in a very competitive Rosslyn Park 7s for the first time as Hong Kong China.

The U19 Men's Asia Rugby Championship was hosted in Hong Kong, and Hong Kong China Men went on to win both games against Chinese Taipei and Korea to secure qualification for the 2024 World Rugby U20 Trophy.

Within the HKCR Match Officials Programme, there were 106 active officials in the 2023/24 season, completing 2,042 appointments domestically. 20% of our officials are females, while 25 individuals were involved for the first time this season. The HKCR Development Group of referees showed great potential throughout the season, with all of them involved in the Premiership environment and five appointed to a role in a Premiership match for the first time during the 2023/24 season.

HKCR match officials were heavily involved in representative refereeing across a number of events and tournaments during the 2023/24 season, with HKCR officials appointed to 70 international fixtures throughout the season - from World Rugby level to Asia Rugby appointments and regional tournaments - as well as referee exchanges.

International recognition for HKCR referees included Craig Chan, who continued on the SVNS Women's Series, and Matt Rodden was also involved as a TMO/performance reviewer/selector for the SVNS Men's Series. They both attended the Paris Olympic Games in their respective roles. Sunny Lee and Morgan White were both appointed to the World Rugby Sevens Challenger Series and both attended all events. Morgan and Sunny - both on debut - and Matt were appointed as referees for Asia Rugby Championship matches, while we had a number of assistant referee, performance reviewer and TMO appointments alongside these. Morgan, Sunny and Craig were appointed to the Asia Rugby Sevens Series and the Asian Qualifiers for the Paris 2024 Olympic Games with Matt also attending all events as TMO/performance reviewer. More recently, Morgan was appointed as a referee for the 2024 World Rugby U20 Trophy in Edinburgh and will be an assistant referee in the Pacific Nations Cup in September, with Sunny selected as an assistant referee for WXV3 in 2023 and is set to repeat this in 2024.

中國香港男子15人欖球代表隊於2023年11月在香港主辦兩場測試賽，對陣德國。港隊勝出全部兩場賽事，亦因機會讓幾位新球員首次代表中國香港作賽，以迎接新的四年發展週期，長遠目標是為球隊直到2031年的發展，奠下基礎。隨後，球隊赴澳洲坎培拉進行集訓，並與Brumbies隊進行一場激烈比賽，為採用新賽制、改為由4支球隊角逐的「2024年亞洲男子欖球錦標賽」備戰。中國香港在6月舉行的亞錦賽擊敗新加入的阿聯酋、韓國及馬來西亞，三場比賽皆報捷，連續第五次奪得冠軍。

同時，香港亦主辦「2024年亞洲女子十五人欖球錦標賽」，結果中國香港擊敗哈薩克，奪得亞軍。中國香港女子十五人欖球代表隊因此獲得WXV錦標賽的參賽資格，意味她們仍然能夠繼續爭取「2025年欖球世界盃」最後兩個參賽名額。

在2023年9月舉行的「杭州第19屆亞運會」中，中國香港男子七人欖球隊勇奪金牌，而女子七人欖球隊亦成功摘銅。男子七人欖球隊隨後在「亞洲七人欖球系列賽」中獲得亞軍，而女子七人欖球隊則獲得第三名，這使得男、女子隊都獲得了參加「世界欖球挑戰者系列賽」的資格，其中男子隊獲得第五名，女子隊則排名第九。

男、女子七人欖球隊均於2023年11月在日本大阪參加了奧運資格賽，其中男子隊在決賽以微小差距惜敗予日本，而女子隊則獲得第三名。男女子隊都得以參加2024年奧運遺材賽，惜最終兩隊都未能取得進軍2024年奧運的資格。

我們在2024年4月成功舉辦旗艦賽事「國泰/滙豐香港國際七人欖球賽」，中國香港男子七人欖球代表隊在新設的「Melrose銀劍賽」中擊敗日本及中國隊，勇奪冠軍，中國香港女子七人欖球代表隊小組賽表現優異，先後擊敗中國及泰國出線，其後於決賽不敵中國，獲得亞軍。

欖總的高水平欖球職業發展計劃欣欣向榮，目前我們已設立希慎—中國香港欖球總會青少年欖球學院，重點培訓U16及U18香港合資格球員，同時還推出了運動選材及發展計劃「香港本地選材學院」，旨在從香港學界體育聯合的體系中發掘及識別在香港出生的球員。學院於2023年4月首次組織U16球員前往日本進行海外訓練，而香港體育學院U18男子隊則首次以中國香港欖球代表隊的名義，參加競爭激烈的「Rosslyn Park七人欖球賽」。

「男子U19亞洲欖球錦標賽」在香港舉行，中國香港U19男子代表隊在對陣中華台北及韓國，兩戰全勝，獲得「2024年世界青年欖球盃」的參賽資格。

在欖總的賽事球證計劃中，2023/24賽季共有106名活躍球證，在本地完成了2,042次執法工作。我們的球證中有20%是女性，而本賽季有25人首次擔任球證。欖總球證發展小組在整個賽季中展示出龐大潛力，所有成員都參與了超級聯賽的工作，其中五人在2023/24賽季首次被任命為超級聯賽的球證。

在2023/24球季期間，中國香港欖球總會的球證大量參與了多項賽事及錦標賽的代表隊球證工作，欖總球證被任命執法70場國際賽事，涵蓋世界欖球總會級別、亞洲欖球總會任命、球證交流及地區性錦標賽。

我們的球證在國際上屢獲認可，其中包括陳頌豪繼續擔任「滙豐SVNS世界女子七人欖球系列賽」球證團隊成員，而麥菲諾也以視像球證/表現評審員/甄選員的身份參與「滙豐SVNS世界男子七人欖球系列賽」。他們兩人都將以上述身份加巴黎奧運。李翠恩和Morgan White都被任命為「世界七人欖球挑戰者系列賽」的球證，並且參加了所有賽事。Morgan White、李翠恩（兩人皆為首次）和麥菲諾被任命為「亞洲十五人欖球錦標賽」的球證，同時我們還有多人被任命為助理球證、表現評審員及視像球證。Morgan White、李翠恩和陳頌豪被任命為「亞洲七人欖球系列賽」及奧運資格賽的球證，其中Morgan White和陳頌豪還在亞洲奧運資格賽中執法。麥菲諾以視像球證/表現評審員的身份參加了所有賽事。最近，Morgan White被任命為在愛丁堡舉行的「世界青年欖球盃」的球證，並將在9月的「太平洋國家盃」中擔任助理球證。李翠恩則被選為2023年「WXV錦標賽第三級別賽事」的助理球證，並將於2024年再次擔任上述職務。

REPORT OF THE DIRECTORS (CONTINUED)

Directors' interests in the shares and debentures of the Company or any specified undertaking of the Company

At no time during the year was the Company or its subsidiaries a party to any arrangements to enable the directors of the Company to hold any interests in the shares or debentures of the Company or its specified undertakings.

Business review

The Group has recorded a profit before fair value movements on financial assets and taxation of HK\$26.4 million (2023: HK\$65.4 million). Total comprehensive income for the year was HK\$31.7 million (2023: HK\$58.9 million). The biggest risk facing the Group remains its reliance on the annual Hong Kong Sevens event to fund its principal activity which is the promotion and development of rugby in Hong Kong. The profit was the result of the Hong Kong Sevens tournaments less operating expenses of the group.

There are no subsequent events which materially affect the financial result of the Group.

The Group expects to operate on a sustainable basis in the next financial year as it expects to continue to host the Hong Kong Sevens and reinvest back into the promotion and support of rugby in Hong Kong.

The Group has complied with all applicable laws and regulations during the year.

The Group's success depends on some key relationships for a significant proportion of its income, particularly those relating to the Hong Kong Sevens and the governing body for rugby, World Rugby.

Management contracts

No contracts concerning the management and administration of the whole or any substantial part of the business of the Company were entered into or existed during the year.

Permitted indemnity provisions

At no time during the financial year and up to the date of this Directors' Report, was there any permitted indemnity provision in force for the benefit of any of the directors of the Company (whether made by the Company or otherwise) or an associated company (if made by the Company).

Auditors

The consolidated financial statements have been audited by PricewaterhouseCoopers who retire and, being eligible, offer themselves for re-appointment.

On behalf of the Board

Christopher John Brooke

INDEPENDENT AUDITOR'S REPORT

To the Members of Hong Kong, China Rugby (incorporated in Hong Kong and limited by guarantee)

Opinion

What we have audited

The consolidated financial statements of Hong Kong, China Rugby (the "Company") and its subsidiaries (the "Group"), which are set out on pages 106 to 137, comprise:

- the consolidated statement of financial position as at 30 April 2024;
- the consolidated statement of total comprehensive income for the year then ended;
- the consolidated statement of changes in equity for the year then ended;
- the consolidated statement of cash flow for the year then ended; and
- the notes to the consolidated financial statements, comprising material accounting policy information and other explanatory information.

Our opinion

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 30 April 2024, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

Other Information

The directors of the Company are responsible for the other information. The other information comprises the information included in the report of the Directors, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the Consolidated Financial Statements

The directors of the Company are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSA's, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1 General information

Hong Kong, China Rugby (the "Company") and its subsidiaries (collectively the "Group") are engaged in the support, promotion and development of rugby in Hong Kong.

The Company was incorporated in Hong Kong on 30th April 1990 and is limited by guarantee. Permission has been granted by the Companies Registrar for the Company to exclude the word "Limited" from its name.

The address of the Company's registered office is Room 2001, Olympic House, 1 Stadium Path, So Kon Po, Causeway Bay, Hong Kong.

On 1st May 1990, the Company took over the assets, liabilities and reserve funds of its predecessor entity, Hong Kong Rugby Football Union which was registered as a society.

The consolidated financial statements have been approved for issue by the Board of Directors on 2nd August 2024.

2 Summary of material accounting policies

The material accounting policies adopted in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

The consolidated financial statements have been prepared in accordance with Hong Kong Financial Reporting Standards ("HKFRS") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"). They have been prepared under the historical cost convention, as modified by the revaluation of certain financial assets and financial liabilities (including financial assets at fair value through profit or loss). The consolidated financial statements are therefore prepared on a going concern basis.

The Group has made profits of HK\$31,740,000 in the year (2023: HK\$58,907,000). The Hong Kong Seven's is the Group's core revenue generating event. The Directors expect to host the tournament again the financial year 2024/25 but remain prudent in their financial outlook. The Directors consider it appropriate to prepare the financial statements on a going concern basis.

The preparation of consolidated financial statements in conformity with HKFRS requires the use of certain critical accounting estimates and judgment in the process of applying the Group's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are material to the consolidated financial statements, are disclosed in Note 4.

Management has represented certain immaterial 2023 balances within the consolidated statement of cash flow to conform with the 2024 presentation.

2 Summary of material accounting policies (Continued)

(b) Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiaries made up to the statement of financial position date on the basis set out in Note 2(c) below.

(c) Subsidiaries

Subsidiaries are all entities over which the group has control. The Company controls an entity when the group is exposed to, or has rights, to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The Group applies the acquisition method to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date.

Investments in subsidiary companies in the Company's financial statements are stated at cost less provision for any impairment losses. Income from subsidiary companies is accounted for on the basis of dividends received and receivable. Long term loans to subsidiary companies are considered to be quasi-equity in nature where there are no defined repayment terms and no expectation of repayment.

(d) Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are expensed in the consolidated income statement during the financial period in which they are incurred.

Property, plant and equipment are depreciated on a straight-line basis over their estimated useful lives set out below:

Leasehold buildings	25 years
Leasehold improvements	5 years
Artificial field	5 years
Facilities equipment	5 years
Other assets	3 years

The gain or loss on disposal of property, plant and equipment is the difference between the net sales proceeds and the carrying amount of the relevant asset and is recognised in the consolidated income statement.

The assets' residual values and useful lives are reviewed and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

(e) Intangible assets

Computer software

Costs associated with maintaining computer software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Group are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software product so that it will be available for use;
- management intends to complete the software product so that it will be available for use;
- there is an ability to use or sell the software product;
- it can be demonstrated how the software product will generate probable future economic benefits;
- adequate technical, financial and other resources to complete the development and to use or sell the software product are available; and
- the expenditure attributable to the software product during its development can be reliably measured.

Computer software development costs recognised as assets are amortised over their estimated useful lives, which does not exceed three years.

(f) Impairment of assets

The Group reviews the carrying amounts of assets for impairment whenever events or changes in circumstances indicate that the carrying amount of those assets may not be recoverable. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the assets exceeds the recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. Such impairment losses are recognised in the consolidated income statement.

(g) Financial assets

The Group classifies its financial assets in the following measurement categories:

- those to be measured at fair value through other comprehensive income;
- those to be measured at fair value through profit or loss, and
- those to be measured at amortised cost.

The classification depends on the Group's determination of the classification of a financial asset between 'debt' and 'equity' inline with HKAS 32 Financial Instruments: Presentation.

For investments in equity instruments (as defined by HKAS 32) that are not held for trading, they will be treated as fair value through profit or loss unless the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

HONG KONG, CHINA RUGBY

(Incorporated in Hong Kong and limited by guarantee)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of significant accounting policies (Continued)

(g) Financial assets (Continued)

For investments in debt instruments (as defined by HKAS 32) these will be treated as fair value through profit or loss unless they meet both of the following conditions:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

If the above two conditions are met, movements in the carrying amount are taken through OCI, except for the recognition of impairment losses, interest income and foreign exchange gains and losses which are recognised in the income statement. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the income statement and recognised in other gains or losses.

At initial recognition, the Group measures a financial asset at its fair value. The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to the income statement following the derecognition of the investment. Dividends from such investments continue to be recognised in the income statement when the Group's right to receive payments is established.

(h) Trade receivables, other receivables and prepayments

Trade receivables, other receivables and prepayments are recognised at fair value less provision for impairment. The Group applies the HKFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables. Trade receivables are written off when there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include the failure of a debtor to engage in a repayment plan with the group. The amount of the provision is recognised in the consolidated income statement.

(i) Cash and cash equivalents

In the consolidated statement of cash flows, cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

(j) Restricted Cash

Bank deposits which are restricted to use are classified as "restricted cash". Restricted cash is excluded from cash and cash equivalents in the consolidated statement of cash flows.

(k) Leases

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group.

Lease liabilities are initially measured at the present value of lease payments to be paid in the future, discounted using the incremental borrowing rate. Lease payments include payments for non-lease components. Subsequently, lease liabilities are measured at amortised cost using the effective interest method. Remeasurements of the lease liabilities are required in case of changes in the lease term, in future lease payments or when options are reassessed.

(Incorporated in Hong Kong and limited by guarantee)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of significant accounting policies (Continued)

(k) Leases (Continued)

Right-of-use asset are initially measured at the present value of the corresponding lease liability adjusted by payments made before lease commencement and any lease incentives received. Subsequently the assets are depreciated on a straight-line basis over the lease term and are adjusted by remeasurements of the corresponding lease liability. An impairment test is performed whenever impairment indicators are identified.

The incremental borrowing rate is based on publicly available market data in Hong Kong.

(l) Deferred taxation

Deferred taxation is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred taxation is determined using tax rates and laws that have been enacted or substantially enacted by the balance sheet date and are expected to apply when the related deferred income tax liability is settled.

Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the temporary differences can be utilised.

(m) Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be made.

(n) Trade payables, other payables, accruals and contract liabilities

Trade payables, other payables and accruals are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

Contract liabilities is recognised when cash is recovered from customers before satisfying any of the associated performance obligations.

(o) Revenue recognition

Revenue from the sale of tickets, member subscriptions and sponsorship is recognised when the performance obligation (the taking place of the event to which the revenue is associated and if required costs have been incurred) has been satisfied.

Coaching course income, and other income is recognised when the performance obligation has taken place and the service has been delivered.

Interest income is recognised on a time proportion basis, using the effective interest method.

Dividend income is recognised when the right to receive payment is established.

Capital grants are recognised over the life of the asset to which the grant was awarded.

(p) Subventions and Grants

(1) Subventions

Subventions from the government and sporting governing bodies are recognised at their fair value where there is a reasonable assurance that the subventions will be received and the Group will comply with all attached conditions.

These subventions are recognised in the consolidated income statement over the period necessary to match them with the costs that they are intended to compensate. Subventions are presented in the consolidated income statement as deductions against the related expenses. General subventions where there are no specific expenditure requirements are presented separately within "other income".

(2) Grants

Grants provided by organisations that are not associated with the government or sporting governing bodies are recognised at their fair value where there is reasonable assurance that the subventions will be received and the Group will comply with all attached conditions.

These grants are recognised in the consolidated income statement and are presented in the consolidated income statement as income, with the associated expenses presented within expenses.

(q) Foreign currency translation

(1) Functional and presentation currency

Items included in the financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The consolidated financial statements are presented in HK\$, which is the Company's functional and the Group's presentation currency.

(2) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the consolidated income statement.

Foreign exchange gains and losses are presented in the consolidated income statement.

(3) Group companies

The results and financial position of all the Group entities (none of which has the currency of a hyper-inflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- (i) assets and liabilities for each statements of financial position presented are translated at the closing rate at the date of that statements of financial position;
- (ii) income and expenses for each income statements are translated at average exchange rates (unless this average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rate on the dates of the transactions); and
- (iii) all resulting exchange differences are recognised in other comprehensive income.

2 Summary of significant accounting policies (Continued)

(r) Operating leases

Leases where substantially all the risks and rewards of ownership of assets remain with the lessor are accounted for as operating leases. Payments made under operating leases net of any incentives received from the lessor are charged to the consolidated income statement on a straight-line basis over the lease term.

(s) Employee benefits

(1) Retirement benefits

The Group operates and participates in a defined contribution retirement scheme, the INVESCO Strategic Mandatory Provident Fund scheme. The assets of this scheme are held in a separate trustee administered fund. The pension plan is funded by payments from employees and by the Group and provides benefits linked to the contribution and investment returns made on the plan. The Group has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to this defined contribution plan are recognised as an expense in the consolidated income statement in the year in which they are incurred and are reduced by contributions forfeited by those employees who leave the scheme prior to full vesting of their contributions.

(2) Employee leave entitlement

Provisions are made for the estimated liability for annual leave and long service leave entitlements as a result of services rendered by employees up to the balance sheet date.

(t) Related parties

Related parties are individuals and companies, where the individual or company has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control.

(u) Reserves

The Group holds two categories of reserves in order to make it clear to the users of the financial statements the difference in the value of cumulative gains/ losses associated with normal trading activities, and the value of cumulative gains/ losses generated as a result of investments in financial assets. The two categories are as follows:

General fund - contains the cumulative gains/ losses of the Group, including taxation, but excluding fair value gains/ losses on financial assets.

Investment revaluation reserve fund - contains the cumulative gains/ losses associated with current and previously held investments in financial assets. The fund is unrestricted. The gains/ losses on these investments are not transferred to the general fund when they are sold.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

3 Financial risk management

(a) Financial risk factors

The Group's activities expose it to a variety of financial risks: market risk (including foreign exchange risk and price risks), credit risk, and liquidity risk. The Group's overall risk management programme seeks to minimise potential adverse effects on the Group's financial performance as a result of these risk

(1) Market risk

(i) Foreign exchange risk

The Group is exposed to foreign exchange risk as a result of its holding of investments denominated in US dollars. Since the Hong Kong dollar is pegged to the US dollar within a range of HK\$7.75-7.85: US\$1, the Group does not consider the foreign exchange risk to be significant and therefore no further measures are taken to reduce this risk.

(ii) Price risk

The Group is exposed to equity securities price risk because investments held by the Group are disclosed on the consolidated statement of financial position as financial assets at fair value through profit or loss. The funds are managed by an Investment Committee who have a mandate to maintain and if possible enhance the principal investment value of the portfolios whilst keeping risks to an acceptable minimum. The Committee reports to the Board of Directors and meets with its Fund managers on a quarterly basis.

The table below summarises the impact of increases/decreases of the investment unit prices on the Group's portfolios and on profit and loss account. The analysis is based on the assumption that the unit price increases/decreases by the respective percentages indicated below with all other variables held constant.

	2024		2023	
	Change in market value of units % (+/-)	Impact on profit or loss HK\$ (+/-) '000	Change in market value of units % (+/-)	Impact on profit or loss HK\$ (+/-) '000
Investments				
Global Equity High Income Fund	10%	9,812	10%	9,282

The Group has used its view of what would be a reasonable shift in each key investment unit price to estimate the change for use in the market sensitivity analysis above. The disclosures are shown in absolute terms, changes and impacts could be positive or negative. Changes in % movement in unit values are revised annually depending on the Group's current view of market volatility and other relevant factors.

The Group has interest-bearing assets in the form of cash and cash equivalents and short-term deposits.

As the Group has no long-term borrowings or loans, the Group's operating cash flows are substantially independent of changes in market interest rates. The risks in relation to cash flow and fair value interest rate risk are therefore not deemed to be significant.

3. Financial risk factors and management (continued)

(a) Financial risk factors (continued)

(2) Credit risk

Credit risks arise from cash and cash equivalents, financial assets at fair value through profit or loss and outstanding receivable balances at the year end.

The Group minimises its credit risk in relation to receivables through the sale of tickets and merchandise to a widely dispersed customer base. Any exposure to individual organisations will be through significant sponsorship deals with reputable organisations.

For banks and financial institutions, only independently rated parties with a minimum rating of 'A' are accepted. For financial assets at fair value through profit or loss, the risk is managed through the use of reputable fund managers and by the Investment Committee.

(3) Liquidity risk

Prudent liquidity risk management includes maintaining sufficient cash to meet the commitments and obligations of the Group.

The Group had net current assets of HK\$60,452,000 (2023: HK\$36,515,000) as at 30 April 2024. The Group's material cash requirements include:

- Trade payables, other payables and accruals
- Lease liabilities
- Other financial commitments disclosed in Note 21

Liabilities are trade, other payables and accruals as well as contract liabilities. Current liabilities are all due within 12 months of the balance sheet date. Lease liabilities fall due in line with the length of the lease. The fair values of the balances due are equal to their carrying amounts as the impact of discounting is not material.

The table below analyses the Group's non-derivative financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date.

	Less than 1 year HK\$'000	Between 1 and 2 years HK\$'000	Between 2 and 5 years HK\$'000	Over 5 years HK\$'000

(4) Capital risk management

The Group's objectives when managing capital are to be commercially and financially sound, able to provide the financial resources necessary to achieve the Strategic Plan and to safeguard the Group's activities into the future. Capital of the Group is considered to be the General fund and Investment revaluation reserve fund.

The group has taken measures to manage the capital risk for the foreseeable future. The financial assets at fair value through profit or loss provide sufficient capital for the Group to meet its future liabilities for the foreseeable future even in the event of a financial loss in the next financial year.

(5) Offsetting financial assets and financial liabilities

There is no material offsetting, enforceable master netting arrangement and similar agreements during the year.

(b) Fair value estimation

- Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2 - Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices);
- Level 3 - Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs).

The following table presents the Group's assets and liabilities that are measured at fair value at 30th April 2024.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

4. Critical accounting estimates and judgements

The Group makes estimates and judgements concerning the future. The resulting accounting estimates will by definition seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(a) Depreciation of property, plant and equipment

The Group depreciates property, plant and equipment on a straight-line basis over the estimated useful life. The estimated useful life reflects management's best estimate of the period that the Group intends to derive future economic benefits from the use of the property, plant and equipment. To the extent the useful economic useful life changes the resultant depreciation in the consolidated income statement will be increased or decreased.

(b) Recognition of deferred tax asset for carried-forward tax losses

The deferred tax assets include an amount of HK\$3,861,000 which relates to carried-forward tax losses of the Group. The Group incurred the losses during the Covid-19 Pandemic. The Group has further unrecognised tax losses generated during the Covid-19 period, but considers the portion of deferred tax asset recognised is the appropriate level that is recoverable using the estimated future taxable income based on the approved business plans and budgets for the Group. The Group has generated taxable income in 2023/2024. The losses can be carried forward indefinitely and have no expiry date.

(iii) The Group's leasing activities and how these are accounted for

The Group leases various offices and government properties. Rental contracts are typically made for fixed periods of 1 to 5 years, but may have extension options as described in (iv) below.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets may not be used as security for borrowing purposes.

(iv) Extension and termination options

Extension and termination options are included in a number of property and equipment leases across the Group. These are used to maximise operational flexibility in terms of managing the assets used in the Group's operations.
