CHAIRMAN'S REPORT 主席報告

Introduction

This is my third Chairman's report to the rugby community on behalf of the Board of Directors (the Board) and covers the key aspects of Hong Kong, China Rugby (HKCR) activities during the 2024/25 year. After a more stable financial year immediately post the pandemic, I am pleased to report continued recovery in 2024/25 with another healthy domestic season being seen at all levels of the game.

Cathay/HSBC Hong Kong Sevens

Following the official announcement that the main stadium at the Kai Tak Sports Park (KTSP) would host the Cathay/ HSBC Hong Kong Sevens in March 2025, significant efforts were expended by the Board, the HKCR staff team, our sponsors and partners to ensure that the 2025 tournament would be a success. A 14% increase in ticket sales meant 110,907 fans attended across three days, and I would like to pay tribute to all of the hard-working HKCR staff whose efforts contributed to ensuring that the tournament was a memorable and historic event.

Given the success of the 2025 Cathay/HSBC Hong Kong Sevens (the Sevens) there is now an opportunity to develop the event further, learning lessons and building upon our collective reflections regarding the event earlier this year. As we look to strengthen our position as the rugby events hub of Asia, we will continue to identify ways in which to optimise the use of the world-leading facilities at KTSP for the benefit of both the domestic and international game.

It is always vitally important to remember that the revenue generated via the hosting of the Sevens continues to allow HKCR to maintain support for our clubs and community, as well as introduce new initiatives. I am pleased to advise that the move of the Sevens to the KTSP generated a financial surplus for HKCR in line with forecasts on a like-for-like basis; however, revenues did not demonstrate as much growth in the current year due to a change in accounting treatment as referred to in the Finance Directors report. Encouragingly, given the fact that the 2025 event was not a sell out, and based upon a number of learnings from the first event, it is expected that the financial return associated with the event can be materially enhanced at the next edition in 2026.

Representative Rugby

Our representative teams continue to perform well across all formats of the game, and further details are contained in a specific section of this report. I would of course highlight the recent qualification of the Men's XVs team for the Men's Rugby World Cup 2027 in Australia as a key achievement in terms of representative rugby. The Board and Senior Leadership Team (the SLT) will work closely together to ensure that the opportunities associated with qualification in relation to both positive exposure and additional sponsorship are maximised in terms of benefits for both Hong Kong and the wider rugby community.

Domestic Rugby

In terms of the domestic game, I would like to highlight the positive progress being made by the Women's Club Coaching Officers (WCCOs) to facilitate our collective aim to build a strong and sustainable future for the women's and girls' game. The work completed by Jamie Farndale has also meant that we are on a strong path towards developing a more robust model for the domestic game moving forward. The focus in 2025/26 will now be upon how best we can support community clubs to grow their presence and player base going forward, as well as the development of more robust pathway structures.

Strategic Plan

The Board and SLT have continued to maintain a strong focus upon our strategic objectives, continuing to adopt a framework that focuses strongly on our purpose, "To optimise positive social impact for Hong Kong through rugby", and our Mission, "To build a connected, sustainable ecosystem of rugby in Hong Kong." Respective updates within this annual report continue to reflect the three strategic "Pillars" of Community & Participation, Sustainability, and Representative Rugby, each supporting the others in delivering more participants to the community game, additional funding and revenue generation, and better representative performance. James and the SLT have adopted an appropriate approach to both the implementation and monitoring of the plan so as to ensure that the ongoing execution of our strategy is based upon clear metrics and a transparent reporting process.

簡介

這是我代表董事會向欖球社區提交的第三份主席報告,涵蓋2024/25年度中國香港欖球總會(欖總)的主要內容。經歷後疫情年代一個相對穩定的財政年度後,我很高興報告2024/25年度持續復甦,所有級別的本地賽事均呈現良好的發展。

國泰/滙豐香港國際七人欖球賽

隨著正式宣佈「國泰/滙豐香港國際七人欖球賽」將於2025年3月在啟德體育園主場館舉行,董事會、欖總員工團隊、我們的贊助商及合作夥伴均投入大量努力,確保2025年賽事取得圓滿成功。門票銷售增長14%,三天賽事共有110,907名球迷到場觀賽。我謹向所有辛勤工作的欖總員工致敬,正是他們的努力,促成這項歷史性的難忘盛事。

2025年國泰/滙豐香港國際七人欖球賽的成功,為我們提供了進一步提升該項賽事的良機,從今年活動的經驗中汲取寶貴教訓並加以反思。為鞏固我們作為亞洲欖球賽事中心的地位,我們將繼續研究如何善用啟德體育園的世界級設施,惠及本地及國際賽事。

必須緊記的是,香港國際七人欖球賽的收入繼續為中國香港欖球總會提供重要支持,使其能夠持續支持球會及社區項目,並推動新計劃的實施。我很高興地宣布,香港國際七人欖球賽已成功移師至啟德主場館舉行,實現財務盈餘,這與預期的同比盈餘一致;然而,受財務總監報告中提及的會計處理方式變更影響,本年度的收入增長幅度不及預期。令人鼓舞的是,儘管2025年的賽事未能完售,但憑藉首屆賽事的經驗教訓,預計2026年賽事的財務表現將顯著提升。

代表隊欖球

我們的代表隊在各級別賽事中繼續表現出色,詳情已載於本報告的相關章節。我必須特別強調當中的一項重大成就,就是男子15人欖球代表隊在最近成功獲得2027年在澳洲舉行的男子欖球世界盃參賽資格。董事會及領導層團隊將緊密合作,確保有關晉級的喜訊得到充分而全面的曝光機會,惠及香港及整個欖球社群。

本地欖球

本地欖球方面,我特別欣見女子球會教練的引進取得積極進展,這有助實現我們有關建構長遠可持續女子欖球運動的共同目標。Jamie Farndale所作出的努力亦讓我們朝着建立更穩健的本地賽事模式,邁出重要一步。2025/2026年度,我們的重點將放在如何更有效地支持社區球會擴展規模及球員基礎,以及建立更完善的發展階梯。

發展策略

董事會及領導層團隊持續專注於發展策略,繼續採用以我們的宗旨「透過欖球運動,致力為香港創造正面社會影響」,以及使命「在香港建立一個緊密相連、可持續發展的欖球生態」為核心的框架。本年報內各項更新亦繼續反映三大支柱:「社區和參與」、「可持續發展」及「代表隊欖球」,彼此互為支援,以推動社區參與人數上升、增加資金與收入來源,以及提升代表隊成績。華哲思及領導層團隊亦已採用適切的實施與監察機制,配合清晰的指標及透明公開的匯報流程,確保發展策略得以貫徹執行。

CHAIRMAN'S REPORT - 主席報告

Governance

As members are aware, James took up the role of CEO in early July 2024 and since that time has been very focused upon both embedding himself within HKCR and the rugby community as well as looking at ways in which the performance of HKCR could be enhanced. An organisational review of HKCR was completed earlier this year, and James is now in the process of executing upon the findings of this review. This includes both some restructuring of HKCR as an organisation as well as the recruitment of a number of new Executive Directors. I would like to thank all those who have helped James to settle into his new role during the course of the year.

I would also like to recognise the three Independent Directors on the Board, namely Gill Meller, Brett Free and Josh Lewsey, all of whom have made significant contributions during the year. I would particularly like to thank Josh for his contribution given that his term on the Board will end in August 2025.

Greater Bay Area

HKCR continues to explore opportunities for expansion of the game in the Greater Bay Area and this will remain a focus for the Board and SLT in 2025/26.

The National Games

Hong Kong will host the rugby sevens component of the 15th National Games in November 2025, and our preparations for the event continue in earnest. We now look forward to playing a leading role in the delivery of the Rugby Sevens competition. Thank you to Rod Lai for the important role that he has continued to play sitting on the PRC 15th National Games Rugby Sevens Competition Sub-Committee.

Other Key Initiatives

I would also like to summarise a number of other key achievements during the year, including the signing of a Memorandum of Understanding with the Japan Rugby Football Union, the formalisation of the relationship between HKCR and Rugby For Good, the publication of the HKCR Sustainability Action Plan, and the continued development of the LIFT programme focused upon supporting women's leadership. All of these initiatives reflect the aspiration of HKCR to continue to be a leading rugby union both in Asia and globally.

Thank You

This has been another busy year, but also one that has been hugely rewarding, and I would like to record my thanks to the entire cross-section of the rugby community who have offered their support and advice so generously.

I would specifically like to thank:

- Our President, Peter Duncan and the HKCR Vice Presidents
- My fellow Directors, HKCR Staff and Leadership Team
- All Club Chairmen, Officials, Coaches and Managers
- All the sponsors and patrons of HKCR
- All officials, including Referees, Assistant Referees, Assessors and the various members of panels
- The Medical Services Team overseeing this vital part of our game
- The many other Committees, groups, and working parties, that all work for the betterment of rugby in Hong Kong
- The supporters and fans of Hong Kong China Rugby and
- All of the volunteers who contribute to rugby in Hong Kong for their tireless support

Finally, I would like to acknowledge individuals who collectively made great contributions to our game but who have sadly passed over the past year. This includes Alex Iu, who was Chairman of University Rugby Club as well as being hugely committed to community and women's rugby in Hong Kong; Jason Going, who was a stalwart member of Valley RFC who also represented Hong Kong 7s and 15s; Nick Bamber, who was Club Chairman at Kowloon RFC from 1996 to 1997 during a pivotal time in the club's history; and Mason Wilkinson, who was a much-loved member of the Kowloon Stingrays U18s team. Rest in Peace, and thank you all.

CEO REPORT

行政總裁報告

Having now completed my first year as CEO, there is a great deal to collectively reflect on since the last reporting period, including several key developments. One of the key milestones this year has been the hosting of the 2025 Cathay/HSBC Hong Kong Sevens at the Kai Tak Main Stadium. The move to the new home of the Sevens was momentous, holding historical significance for the wider Hong Kong rugby community and fans. The collaborative efforts of the HKCR staff team with our key sponsors, partners and stakeholders are to be celebrated, particularly given this was the first major sporting event to be held at the new venue. I would also highlight that there is much to learn from such transitions to build on the 2025 tournament, ensuring 2026 provides the best experience for all those involved. My thanks go to Bryan Rennie and his team for ensuring the tournament remains an iconic event in the global sporting calendar.

Finances

Financially, we have continued to build on a position of relative stability this year to ensure we can make sound, impactful decisions as we reinvest across the game in Hong Kong. Delivering the first tournament at Kai Tak, with positive gate receipts and subsequent stadium yields, provides a positive platform for the future. The continued need to carefully prioritise financially will be imperative given our ambitious strategic goals.

Club Development and Sustainability

The recruitment of Jamie Farndale for the role of General Manager, Club Development and Sustainability, has meant designated support for domestic clubs, which is both timely and appreciated. I have great confidence that Jamie and the team have started to lay the foundations for future work with clubs across the community. The Men's and Women's Premiership operations and administration also transfer fully to the Domestic Rugby Department, which will continue to be effectively managed by Jamie Farndale and Andrew Li, with close collaboration with the Performance Department.

Representative Rugby

I congratulate our Women's XVs squad for their achievements on and off the field. Despite not qualifying for the Women's Rugby World Cup 2025, we were all hugely proud of the team's efforts at the WXV Division 3 Tournament in September and October in Dubai. During the subsequent rebuilding phase, a newer-look squad gained a victory over Kazakhstan and runners-up spot in the 2025 Asia Rugby Women's Championship.

The Men's XVs have now booked a ticket to the Rugby World Cup 2027 in Australia which has historic significance for HKCR. Effective performance planning and decision-making will now be critical to optimise the squad's preparations over the next two years and beyond. The exposure and profile gained from playing in a Men's Rugby World Cup can be unparalleled for Hong Kong - with our aim to create Hong Kong role models and to build a legacy for the local and domestic game in Hong Kong being central to our strategic ambitions.

Both our Men's and Women's 7s teams excelled at the Asian Sevens Series, and at the Melrose Claymores at the Hong Kong Sevens, where they both earned the right to lift the Melrose Swords in front of a packed home crowd at Kai Tak Stadium. They are now preparing for the new season, including an appearance at the National Games and the new three-division HSBC SVNS Series.

We are delighted to have also confirmed a Memorandum of Understanding with the Japan Rugby Football Union moving forward to build on an already strong relationship with them, with a view to sharing best practice across several areas of the game domestically and internationally.

行政總裁報告

本人履新行政總裁已滿一年,自上次年度報告後,實在有許多值得我們 回顧的事項,當中包括多項重大發展。本年度其中一個重要里程碑,是 在啟德主場館舉辦國泰/滙豐香港國際七人欖球賽。七欖遷址至新主場 館別具歷史意義,對廣大香港欖球社群及球迷而言亦意義深遠。中國香 港欖球總會員工團隊與主要贊助商、合作夥伴及持份者通力合作,成 功為新場館舉辦首項大型體育盛事,實在值得慶賀。我亦希望強調, 我們需要從此次過渡中汲取寶貴經驗,在2025年賽事的基礎上,確保 2026年賽事能為所有參與者提供最佳體驗。在此,我特別感謝榮拜仁 (Bryan Rennie) 及其團隊,致力確保香港七欖繼續成為全球體壇的巔 峰盛事。

我們在相對穩定的基礎上進一步鞏固財務狀況,以確保有能力作出明智 且具影響力的決定,將資金重新投入到香港欖球的發展之中。在啟德舉 辦首屆賽事,門票收入和相關的場館收益均表現理想,為未來奠定良好 的基礎。考慮到我們積極進取的策略目標,審慎理財仍將至關重要。

球會發展及可持續發展

Jamie Farndale獲聘為球會發展及可持續發展總經理,為本地球會提 供適時且備受期待的專項支援。我深信Jamie及其團隊已著手為未來與 社群內各球會的合作奠定基礎。男子、女子超級聯賽的營運及行政事務 亦會全面轉移至由Jamie Farndale及李嘉威管理的本地欖球部主理, 與高水平欖球部緊密合作。

代表隊欖球

我謹此祝賀女子15人欖球代表隊在球場內外取得卓越成績。儘管未能 獲得2025年女子欖球世界盃的參賽資格,但我們為球隊在杜拜舉行的 WXV錦標賽第三級別賽事中的拼勁深感驕傲。在隨後的重建階段,新 陣容於2025年亞洲欖球錦標賽中擊敗哈薩克,取得寶貴勝利。

男子十五人欖球代表隊已成功獲得2027年澳洲欖球世界盃的入場券, 這對於中國香港欖球總會來說具有歷史意義。目前,制定有效的表現 規劃及決策,將會對優化球隊的備戰工作,尤關重要。而角逐男子欖 球世界盃將帶來的曝光率和關注度,亦可謂前所未有。我們將繼續落 實發展策略,以打造香港模範,並以為本港欖球運動留下深遠影響為

我們的男、女子七人欖球隊在亞洲七人欖球系列賽和香港國際七人欖 球賽Melrose銀劍賽中均表現出色。他們在啟德主場館座無虛席的主 場觀眾面前,雙雙舉起Melrose銀劍獎座。球隊目前正在備戰新賽 季,包括參加全運會和全新三個級別的滙豐世界SVNS七人欖球系列

我們很高興能與日本橄欖球協會簽署合作備忘錄,進一步鞏固雙方一 直以來的緊密關係,以期分享欖球運動在本地及國際層面各個領域的

CEO REPORT - 行政總裁報告 CEO REPORT - 行政總裁報告

Local Player Development

Concurrently, I am delighted to highlight the return of the Men's Dragons Programme, originally set up by George Simpkins. Salom Yiu Kam Shing's leadership of the programme, ably supported by Kai Hang Fung, Joseph Szeto, Kenny Ng, and Brendon Ireland, has been a resounding success. Highly successful district talent ID initiatives have taken place - culminating in a Talent Testing Day at HKSI that was attended by several Senior Government Officials - have added significant value to the identification and recruitment of local players. This work at the district level will also continue to complement Regional Hub plans. I'd also like to recognise the work of Royce Chan with her leadership of the Women's Development Group, identifying future players from the women's and girls' game.

15th National Games Preparations

Our preparations for the 15th National Games - for which Hong Kong China hosts the rugby sevens component of the event in November 2025 - are making good progress. As we work with key stakeholders to prepare to deliver of the competition, our Men's and Women's 7s stars are eagerly looking forward to taking to the field at Kai Tak Main Stadium in November.

HKCR People and Culture

Olivier Maitre has been instrumental in providing seniorlevel HR support for the executive office, Senior Leadership Team, the wider staff team, and the people and culture function - supported ably by Lydia Yu alongside her day-today HR commitments. There is still much work to be done to ensure our systems and processes are optimal, but I am confident that we are moving in the right direction. Our collective aim is for all staff to be proud to work for HKCR, to feel supported in a way that enables them to thrive and be motivated to learn, develop and improve. Initial results from the staff engagement survey provide a positive platform to progress from, allowing some creative initiatives to now be implemented.

HKCR Staffing

Following a review of our organisational structure there have been some significant changes at the senior leadership level, with Simon Amor now in the post of Executive Director, Performance and Representative Rugby; Dean McLachlan as Executive Director, Domestic Rugby; and Rocky Chow now taking on the leadership of Rugby For Good in the role of Executive Director. Strong General Managers have also been recruited, including Jamie Farndale (GM Club Development and Sustainability), Hugh Everson (GM Medical Services) and Mike Kerrisk (GM Events), with Iwan Phillips undertaking the role of GM Commercial. All will add significant value moving forward. We wish Jo Hull, Lucy Clarke, Aaron Stockdale and Dave Greaves all the very best in their future endeavours and thank them for their committed service over several years for HKCR.

I would like to recognise the contribution of all our Senior Leadership Team for all their efforts over the past season, also recording my thanks to Crystal Wong our Corporate Services Manager, who has continued to look after the Board, managed our Sevens VIP Programme, and, on a personal note, was invaluable in assisting me throughout my first year as CEO. Crystal now transitions into a part-time role supporting executive office projects and event operations.

I'd like to thank Chris and the Board of Directors for their continued support and extend thanks and well wishes to outgoing Board Directors finishing their respective terms, Tony Karton, Dave Scott and Josh Lewsey. I'd also like to extend a sincere thank you to all of our valued volunteers for their hard work and commitment across the Hong Kong rugby community.

Lastly, I'd like to echo the comments from Chris Brooke in the Chairman's Report and pass on my sincere condolences to the friends and families of Alex Iu, Jason Going, Nick Bamber and Mason Wilkinson who sadly passed over the past year.

本地球員發展

同時,我很高興地宣布,最初由George Simpkins創立的「龍隊」男子 15人欖球計劃載譽而歸。該項目由姚錦成領導,並由馮啟恆、司徒穎 聰、伍偉強及魏溥德 (Brendon Ireland) 鼎力支援, 取得顯著成果。地 區選材活動成果豐碩, 最終以在香港體育學院舉行的人才選拔日圓滿結 束,多位政府高級官員出席,為發掘及招募本地球員增添重大價值。這 項地區層面工作將繼續配合地區中心計劃。我亦要表揚陳朗詩領導女子 發展小組,致力為女子成人及青少年賽事發掘具潛質的球員。

第十五屆全國運動會籌備工作

我們正積極籌備中國香港於2025年11月承辦的第十五屆全國運動會七 人制橄欖球比賽項目。我們正與主要持份者攜手合作,籌辦賽事的工作 如火如荼。我們的男、女子七人欖球隊亦都熱切期待,在11月於啟德主 場館上陣比賽。

欖總人文與文化

Olivier Maitre一直為行政辦公室、領導層團隊、整體員工以及人員文化 職能等方面提供高級別人力資源支援,發揮了重要作用。雖然我們的系 統與流程仍有許多進步空間,但我深信我們正朝著正確的方向邁進。我 們的共同目標,是讓所有員工都以服務中國香港欖球總會為榮,並感到 獲得支援,使他們能夠茁壯成長,從而積極學習、發展及進步。員工參 與度調查的初步結果為我們提供了正面的基礎,讓一些具創意的新措施 得以實行。

欖總人手編制

經檢討組織架構後,高級領導層出現了若干重大變動。Simon Amor現任 職高水平及代表隊欖球執行董事,Dean McLachlan任職本地欖球執行董 事,而周思豪則轉任橄欖成長基金行政總裁。多位優秀總經理亦已加盟, 包括Jamie Farndale (球會發展及可持續發展總經理)、Hugh Everson (醫療服務總經理) 及Mike Kerrisk (賽事總經理), 而Iwan Phillips則擔 任商務總經理一職。他們定能為欖總的未來作出重大貢獻。在此,我們 亦衷心祝願侯祖瑟芬 (Jo Hull)、卡露絲 (Lucy Clarke)、魏德朗 (Aaron Stockdale) 及格雷夫斯 (Dave Greaves) 在未來的發展一切順利,並感 謝他們多年來為欖總所作出的貢獻。

我謹此感謝全體領導層團隊於過去一季所作出的努力,並特別致謝 我們的企業服務經理黃凱盈,她一如既往地照顧董事會,管理七欖 貴賓項目,並在個人層面上,在我擔任行政總裁首年內給予寶貴支 援。Crystal現已轉任兼職,支援行政辦公室項目及賽事運作。

我亦要衷心感謝蒲敬思及董事會的持續支持, 並向即將卸任的董事 簡東利 (Tony Karton)、Dave Scott 及Josh Lewsey致以謝意及 祝福。在此,我亦謹向所有義工們致以最真誠的謝意,感謝他們為香 港欖球界付出的努力、投入及奉獻。

最後,我想藉此呼應蒲敬思的主席報告,並向過去一年不幸離世的 Alex Iu、Jason Going、Nick Bamber及Mason Wilkinson的親友 致以誠摯的哀悼。

14 HKCR ANNUAL REPORT 2024/25

DIRECTOR OF FINANCE REPORT

財務董事報告

DIRECTOR OF FINANCE REPORT

財務董事報告

I am delighted to present my report as Finance Director of Hong Kong, China Rugby ("HKCR") for the year ending 30th April 2025. The year was certainly one of significant change for HKCR; with the first ever Hong Kong Sevens hosted at its new home in Kai Tak Sports Park and with the Men's XVs team qualifying for the Rugby World Cup for the first time in its history.

The Hong Kong Sevens, saw the highest ever attendance at a Hong Kong Sevens tournament and puts HKCR well on track to sell out for the 2026 edition. The new stadium is a world class venue which Hong Kong can be proud of and despite the pressure of being the first major event held at the Kai Tak stadium, the event delivered a great experience for spectators and partners and was in line with commercial expectations. Hong Kong Sevens has a strong reliance on overseas visitors and it now has a venue to match the expectations of overseas sports fans which will help take the event to the next level.

Domestic Rugby was also a beneficiary of the Hong Kong Sevens; with HKCR being able to introduce increased club subventions during the year to assist clubs in their running costs and promoting the game in Hong Kong. Subventions returned to a 'per team' basis for the first time since Covid. In addition to this HKCR was able to support Club Coaching Officers for the Women's game for the first time, representing a significant investment in the top end of the women's domestic game.

2024/2025 Financial Performance

Under its previous accounting treatment and on a like for like basis, HKCR would have recorded a profit before tax of HK\$10.0m (2024: HK\$27.2m) for the year ended 30 April 2025. However a change in accounting treatment for revenue and cost recognition on the stadium suites due to an interpretation in IFRS 15 in conjunction with PwC; along with a change in the nature of the stadium/suite agreements which were not received until March 2025 has resulted in a loss of \$2.4m in this transitional year. The increase in expenses is primarily due to stadium costs resulting from the move to Kai Tak which has higher rental charges and rechargeable costs. Investments have also been made in staffing and in the representative squads which were made to give the teams the support they needed; in particular the Men's XVs team who successfully qualified for the Rugby World Cup in Australia in 2027.

Over the course of 3 years, HKCR has managed to increase the size of its balance sheet from HK\$94.4m up to its current level of HK\$177.2m which represents a sizable increase and a lot of effort from the business and commercial team. As a result of this turnaround. HKCR has been restored to full financial health. This has been achieved at the same time as growing investment in all aspects of the game from the professional level right through to grass roots rugby. This is always a difficult balance but it is positive to note strong net asset growth at the same time as the increased investment and provides a stable base for HKCR going forward as it seeks to maximise revenues from the Hong Kong Sevens and seek efficiencies in future tournaments using knowledge and experience gained from hosting it a Kai Tak this year.

The full financial statements are set out on pages 106 to 141.

Looking Ahead

Despite the success of the current and recent years; there will be some challenges ahead for HKCR and the Company will be looking to expand it sources of revenue going forward as well as seeking to optimize the Hong Kong Sevens financial benefit by targeting a sold out event once again. These challenges result from the Men's XVs team qualifying for the Rugby world cup and from committed levels of support to the club game in Hong Kong via the financial assistance programme for Men's Premiership rugby clubs, which increases the investment back into the game and assists clubs in providing a strong base from which to support the representative team as they take on the significant challenge of competing at the World Cup in 2027.

At the time of writing, discussions are well underway with an agreement with World Rugby to host the upcoming Hong Kong Sevens tournament and whilst these discussions are always challenging; I remain confident that we will have an agreeable outcome for HKCR which will aim to remove some of the future uncertainties are facing. In prior years, these agreements have been only 1 year agreements which has made it challenging for the commercial team to secure longer term partnerships; but the current intention from World Rugby is to have a longer agreement; which should be mutually beneficial.

Discussions are also progressing on a second event which could be run by HKCR, or with HKCR's assistance with the aim of enhancing the offerings available to both local and visiting spectators alike and diversifying the revenue base of HKCR.

Acknowledgements

The year ended 30th April 2025 also marked the departure of David Greaves, who diligently held the role of Chief Financial Officer/Chief Operating Officer for 12 and half years and I would personally like to place on record my thanks for his efforts over these years; most recently helping manage the transition of the event from the old stadium to Kai Tak and crucially helping HKCR survive the covid period and still retain a healthy level of reserves. This was in no small part due to his foresight in taking out insurance far in advance of the 2020 tournament which also covered Covid-19 - which most sporting events in the world did not have; for this, HKCR will always be grateful.

我很高興以中國香港欖球總會(欖總)財務董事的身份,提交截至2025年 4月30日為止年度的財務報告。對欖總而言,本年度無疑是充滿重大變 化的一年; 我們首次在新主場館啟德體育園舉辦香港國際七人欖球賽, 而男子15人欖球隊亦創造歷史,取得欖球世界盃的參賽資格。

香港國際七人欖球賽創下歷來最高觀眾人數紀錄,為中國香港欖球總會 在2026年賽事門票售罄的目標奠定良好基礎。新場館作為一個世界級場 地,讓香港引以為傲。儘管承辦啟德體育園的首個大型賽事帶來不少壓 力,但七欖為觀眾和合作夥伴帶來了極佳的體驗,亦符合營商預期。七 欖向來倚重海外訪客,從今起在這個能夠滿足海外體育愛好者期望的場 館舉行,將有助賽事提升至更高水平。

本地欖球賽事亦受惠於七欖,欖總今年得以增加對球會的津助,支持球 會的營運開支及推廣本地欖球運動。自新冠疫情後,津助金額首次恢復 以「每隊」為基礎發放。此外,欖總亦首次能夠資助女子賽事的球會教 練,標誌著對本地頂級女子賽事的重大投資。

2024/2025年度財務表現

根據過往的會計處理方式,並按同等基準計算,中國香港欖球總會截至 2025年4月30日止年度錄得的稅前利潤應為港幣\$10,000,000 (2024年為 港幣\$27,200,000)。然而,就《國際財務報告準則第15號》的詮釋,經 本會與羅兵咸永道會計師事務所協商後,對場館包廂的收益及成本確認方 式作出會計處理變更;同時,場館/包廂協議的性質亦有所變動(直至2025 年3月方才收到相關協議),導致本過渡年度錄得虧損港幣\$2,400,000。 開支增加主要由於賽事遷移至啟德後,租金費用及可收回成本上升所致。 本會亦在人員編制及代表隊方面投入資源,為隊伍提供所需支援,尤其是 成功取得2027年澳洲欖球世界盃參賽資格的男子15人欖球隊。

過去三年,欖總成功將資產負債表規模由港幣\$94,400,000增至現時 的港幣\$177,200,000。增幅相當可觀,實有賴業務和商務團隊努力的 成果。基於這項好轉, 欖總得以全面恢復至健康的財務狀態。同時, 我們仍持續增加由專業到基層等各個層面的欖球運動投資。要在強化資 本儲備與運動投入之間達致一個良好平衡,實屬不易,但實際成果令人 鼓舞, 為欖總鞏固財務基礎, 奠定穩健前路。欖總將致力從七欖賽事中 實現收益最大化,並利用今年在啟德體育園舉辦賽事所獲得的知識和經 驗,在未來尋求效率提升。

完整的財務報表載於106至141頁。

Finally, I would like to acknowledge and thank all the staff at HKCR and particularly, from my perspective, the executive management and the finance team for their diligence and professionalism in keeping HKCR in a stable and for managing the transition to the Kai Tak stadium, a task which involved a lot more work and complexity then it's possible to detail here.

As a final note, I would like to place on record my thanks to Dave for helping lead the business through exceptionally challenging times and I wish his successor all the best.

展望未來

儘管本年度和近年表現卓越,欖總仍將面臨若干挑戰,公司將尋求開拓收 入來源,並再次以售罄門票為目標,優化七欖賽事的財務收益。這些挑戰 包括: 男子十五人欖球隊晉身欖球世界盃, 以及承諾透過財務支援計劃, 加強對本地男子超級聯賽球會的支持。此舉增加對欖球運動的投資,並協 助球會提供穩固的基礎,支持香港代表隊競逐2027年欖球世界盃。

在撰寫本報告期間,我們正與世界欖球總會進行深入討論,就即將舉行的 香港國際七人欖球賽達成協議。雖然這些討論歷來頗具挑戰,但我仍有信 心,我們將為欖總取得一個令人滿意的結果,消除未來的不確定性。以往 這些協議僅為一年期,令商業團隊難以確立長期的合作伙伴關係。然而, 世界欖球總會目前有意簽訂更長期的協議,此舉將為雙方帶來互惠。

此外,我們正進行積極討論由中國香港欖球總會主辦或協辦另一項賽事,務 求為本地及訪港球迷提供更多精彩賽事,並使欖總的收入來源更趨多元化。

致謝

本財政年度止於2025年4月30日,亦標誌著格雷夫斯的離任。他一直勤 勉地擔任首席財務總監/首席營運總監的職務達12年半之久,本人謹此 衷心感謝他多年來的努力,尤其是他最近協助統籌將七欖由舊場館遷至 啟德體育園的過渡工作,以及在關鍵時期協助欖總渡過新冠疫情,成功 保持財政儲備處於健康的水平。這很大程度上歸功於他的遠見:在2020 年七欖賽事舉行前,提前為欖總購買了涵蓋保障新冠肺炎的保險,而這 正是當時全球大多數體育賽事未曾有所考慮及準備的。為此,欖總將一

最後,我要感謝中國香港欖球總會全體員工,特別是行政管理層及財務團 隊,盡心盡力及展現專業精神,致力為本會維持穩定,並成功統籌過渡至 啟德體育園的工作,當中涉及的工作量及複雜程度遠超此處所能詳述。

最後,我想在此正式感謝格雷夫斯幫助帶領公司度過了極具挑戰性的 時期,並祝他的繼任人一切順利。

發展策略

Our strategic plan implementation progress

我們的策略計劃實施進度

During the first year of implementing HKCR's 10 year strategic plan, we continued to make positive steps towards achieving our mission "To build a connected, sustainable ecosystem of rugby in Hong Kong."

Our three strategic pillars, 1. Community & Participation ("C&P"), 2. Sustainability and 3. Representative Rugby ("RR")) have made good progress on delivering strategic initiatives which has seen more participants to the community game, more funding and revenue generation and better representative performance.

In 2025, HKCR redesigned and implemented a new operating model to deliver on the strategic plan. This resulted in new senior leadership appointments and recruitment in our strategic areas of focus such as Sustainability, Domestic rugby and the Women's game.

The strategic plan was also supplemented with additional Player Welfare initiatives to support and enable the delivery of the strategic initiatives.

Our most notable achievements this year:

- Delivered the 2025 HK7s in the new Kai Tak Stadium with over 110,000 attendees over three days and 45,200 three day tickets sold resulting in a 95% sold out event
- Men's 15s Rugby World Cup 2027 qualification
- Implemented the Dragon's programme to build pathways for local talent
- Edrington Touch Rugby connecting 270 players with 7 out of the 20 mini clubs in Hong Kong
- Published HKCR's Sustainability Action Plan
- Implemented a new Executive Director structure to streamline leadership, elevate management expertise and drive subsequent implementation and delivery

Event Summary

"Where the World Comes to Play" was reinstated as the event tagline for this historic move from Hong Kong Stadium, which had been the home of the Hong Kong Sevens for the past three decades to the new world class venue, Kai Tak Sports Park.

After a series of test events held at the new stadium, the Hong Kong Sevens was entrusted to be the first major sporing event held at the new facility and it did not disappoint with a record-breaking attendance for the Sevens. Over 45,200 tickets were sold and an incredible 110,000+ fans poured into the stadium over the three-day event.

The rugby was as impressive and competitive as ever with the world's best 12 men's and women's teams competing in the HSBC SVNS series. New Zealand Women won the Final defeating Australia 26-19, and Argentina Men continued their fine form beating France 12-7 in the Final.

The Melrose Claymores competition saw Hong Kong China Men winning 38-5 in the Final against China, and the Women lifting the trophy for the first time beating Kazakhstan 45-5 in the Final.

With the new stadium came new opportunities and the team introduced dynamic digital signage which improved the fan experience along with a state-of-the-art laser show as part of Friday night's Opening Ceremony. The precinct has a large area outside the stadium which was turned into a familyfriendly Fan Zone. This area had a stage for live performances (over 20 live acts throughout the weekend), a mini rugby pitch for community coaching sessions, the players dining area - where fans could meet some of the players, a bouncy castle, face painters, roaming entertainment, the Castore merchandise sales tent, food and beverage stalls and activation booths for Cathay, HSBC and the Hong Kong Jockey Club among others.

Corporate hospitality was very well supported with 138 Corporate Boxes sold (an increase from 98 at the Hong Kong

Stadium) as well as a number of new hospitality products including the Captain's Lounge Hospitality Pass which was a 5* VIP experience, and the Carlsberg South Stand Super Pass which included free flow drinks for the thirsty fan.

The event's live entertainment went to new heights with headline act on the Sunday being none other than English indie Rockers, Kaiser Chiefs who performed all their fan favorite anthems. They appeared on a purpose build stage towering over the South Stand which has retained its reputation as being the best party stand in the world. Italian artist GALA perform her multi-platinum song Freed From Desire during the mini rugby match past which saw approximately 2,500 children and coaches have the opportunity to walk around the pitch. Legendary British DJ Pete Tong then had the fans on their feet during his Saturday evening set with his Ibiza classics.

To celebrate the 100th anniversary of Kai Tak Airport, Cathay arranged a low altitude fly past over Victoria Harbour which was a truly memorable experience with hundreds of aviation enthusiasts lining up on the waterfront to witness the spectacle.

An influx of rugby legends landed in Hong Kong to take up the prestigious role as #HK7s ambassadors and experience the first event at the new stadium. These included former Hong Kong China stars Christy Cheng and Salom Yiu Kam Shing, The King of Sevens, Waisale Serevi, Olympian Tyler Nathan-Wong and a host of rugby royalty including Andy Goode, Jim Hamilton, Ryan Wilson, Celia Quansah and DJ Forbes.

John Lee Ka-Chiu, Chief Executive of Hong Kong SAR, attended the event to present the trophies to the winning teams alongside World Rugby delegates including Chairman Brett Robinson and Chief Executive Officer Alan Gilpin.

Insights

World Rugby's wrap up report saw HKCR receive an impressive 92% rating for the successful delivery of the event, while Cimigo Market Researchers conducted on-event fan questionnaires and survey's that showed 96% of fans would highly recommend the event to friends and family.

The average time spent in stadium was 7.6 hours per day and 81% of visitors interviewed were impressed with Kai Tak Sports Park.

The event was well supported on social media channels and gained significant global media exposure. Content highlights were viewed over 2.6 million times on Instagram and Facebook and achieved over 10,000 media articles according to CARMA Media Tracking.

Global broadcast statistics saw the total cumulative audience of approximately 11.8 million views across TV and streaming platforms for over 9 million viewership hours over the threeday event. The Hong Kong audience grew 79% compared to 2024, primarily due to the addition of TVB Jade and TVB Pearl channels enhancing the region's broadcast performance (Nielson Sports).

HKCR engaged with Nielson Sports to conduct an Economic Impact Report and the event generated an incredible US\$97.9 million into the Hong Kong economy.

Senior Rugby

Player Base and Community Leagues:

This season, we experienced a loss of 9% in our player base, with a total registration of 2,707 players (1,889 men and 818 women). This figure remains 10% more than the 2021/22 season. A total of 68 teams (44 men's and 24 women's) participated in the senior community leagues.

Men's Leagues

On the men's side, three Championship Leagues and two community divisions were contested. Championship 1 was exceptionally tight, with the league trophy clinched by Typhoons/University RFC on match points. Hong Kong Football Club had some strong performances throughout Championship 2, while SCAA CWB Marines performed well to top the league in Championship 3.

Women's Leagues

On the women's side, the season started with an 11-team championship competing until Christmas before splitting into a five-team Championship 1 and a six-team Championship 2. Societe Generale Valley Reds performed well, sitting on top of the Championship before the split and holding that momentum to finish top of Championship 1 with only one loss over the season. Six teams competed in the Community 12s competition, with University finishing as League Champions.

Nan Fung Group | AIRSIDE Hong Kong Premiership

In the Women's Premiership, Societe Generale Valley RFC demonstrated exceptional consistency and resilience, winning all 15 league matches before advancing to the Semi-Finals where they were joined by Kroll USRC Tigers Women. HKFC Natixis Ice and Gai Wu Falcons faced off in the other Semi-Final in a repeat of one of the games of the season where Gai Wu Falcons had pulled off an impressive 24-20 win, but it was HKFC Natixis Ice who progressed to the Final after an impressive display. Societe Generale Valley RFC ultimately defeated HKFC Natixis Ice 19-17 in a highly physical contest at Kings Park, which was played amidst a heavy downpour of rain.

Following an engaging launch event at AIRSIDE Mall, the Men's Premiership commenced with HKFC Natixis Club narrowly beating HKU Sandy Bay RFC in what would also turn out to also become the season finale, with the opposite result occurring. The league was fiercely competitive, and it was only in the penultimate round that HKFC Natixis Club were crowned Champions. Four teams - HKU Sandy Bay RFC, Societe Generale Valley RFC, HKFC Natixis Club, and MND Hong Kong Scottish - progressed to the Semi-Finals. In a thrilling match featuring a strong defensive and kicking display, HKU Sandy Bay emerged victorious with a 40-19 win and lifted the Grand Final Trophy.

In Premiership A, Shenzhen Pirates, having secured both the League and Grand Championship titles in the Championship 1 Division the year before, delivered impressive rugby throughout their debut in Premiership A. They maintained their form until the final whistle of the season, ultimately winning the Grand Final and further demonstrating the growing strength of 15s rugby across the border. Their success also signifies enhanced engagement within the Greater Bay Area.

Youth Leagues

Player Base and Age Grades:

In the 2024-25 season, we experienced a steady increase in the overall player base, with 4% more active members, 327 girls and 832 boys.

Boys' Age Grades:

During the first half of the season, our focus remained on XV games for the boys. To encourage better participation, the community agreed to combine the U13 and U14 age grades for one more season. However, there is a clear plan to resume a clear split of these age grades for the 2025-26 season.

Girls' Age Grades:

In the girls' program, we witnessed remarkable collaboration within the community, with clubs partnering to form competitive teams. This collective effort provided players with valuable opportunities for competitive play as we continue to grow rugby for girls in Hong Kong. Moving on from previous seasons playing the 10s format, increased numbers allowed 15s to be played at every age grade this season.

In the boys program, we saw a high level of rugby played throughout the season right until the very final play, with Valley Fort clinching victory at the final whistle with a nerve-jerking extra-time cross-field kick thrown in for good measure.

We sincerely thank Hysan Development for their ongoing support of youth rugby in Hong Kong. Their backing has been instrumental not only in sustaining the Hysan Domestic Season, but also in expanding opportunities for girls and boys through their support of the year-end U14 Development Camp. Moreover, their partnership through the Hysan Youth Academy has established a vital performance linkage, further advancing our rugby development initiatives.

Development Camps

Prior to the Christmas break, we organised a training camp for the U14 age group. Thanks to the ongoing support from Hysan, we expanded the camp this year to include both boys and girls, offering a comprehensive training program centered on contact skills and game understanding. The primary goal was to prepare these athletes for U16 rugby in the following year. Selected coaches delivered valuable insights and contact drills to the U14 groups, which were highly appreciated by all participants.

Hysan Youth Rugby Competition Rugby 7s

The second half of the season saw the return of our Youth 7s, culminating in the highly-anticipated Premiership Finals. The finalists had the privilege of playing in the new Kai Tak Stadium, with some competitive rugby played out before the SVNS Series took to the stage.

New Year's Day Tournament

The 57th New Year's Day Youth Rugby Tournament once again highlighted the top talent among players aged 15 to 18. A key highlight was the U16 boys match between the Hong Kong Dragons and Overseas Lions which came right down to the final whistle. Additionally, the U19 boys' match provided a valuable talent identification opportunity for Hong Kong China coaches.

We are sincerely grateful to over 28 local coaches and senior players, including current and former representatives, who supported the four teams participating in this annual event. Special thanks are extended to Hysan Development and to Hong Kong Football Club for their ongoing support of this important tournament.

Mini Rugby

Player Base and Age Grades:

The World Challenge Cup kicked off the 2024-25 season, with over 350 U11 and U12 boys and girls taking the field at King's Park, representing the 12 RWC nations.

Mini Festivals, Richard Hawkes Trophy and **Kim Lam Cup Competitions**

All major festivals ran in full swing, with Tigers, Sandy Bay, Valley Fort, and HKFC hosting vibrant mini community events. Additionally, Flying Kukris, Tai Po, Sha Tin, and Aberdeen contributed to a varied and engaging festival season, offering a comprehensive program of activities for the mini rugby community.

Both the Richard Hawkes Trophy and Kim Lam Cup competitions took place in January 2025. In what is for many their first taste of competitive rugby, it was inspiring to witness the level of skill, desire and determination on display.

Mini Rugby at the Cathay/HSBC Hong Kong Sevens

One of the standout moments for many Hong Kong Sevens attendees was welcoming 2,500 mini rugby players and their parents to the new stadium at Kai Tak. The atmosphere was electric, with the crowd energised by Gala's "Freed From Desire" filling the stadium just before the home team took to the field. These young players had also participated in the Cathy/HSBC Hong Kong Sevens mini showcase, showcasing the next generation of talent on the new field - a truly unique and remarkable experience that is exclusive to the Hong Kong Sevens.

We extend our heartfelt thanks to all the passionate parents and volunteers whose dedication and support are vital to the distinctive character of the Hong Kong tournament.

社區季後總決賽

社區季後總決賽為本賽季畫上完美句號。來自全部八個男、女子組別的 球隊齊聚欖球之家一京士柏運動場,為社區帶來了一整天既有趣又富競 技性的欖球活動。

球員庫及分齡組別:

在2024-25賽季,球員總數穩步增長,活躍球員人數增加了4%,其中包括 327名女子和832名男子球員。

男子分齡組別:

在前半個賽季,男子組別的重點仍然是15人制比賽。為鼓勵更多人參與,欖 球社區同意將U13及U14年齡組別合併多一個賽季。不過,我們已經制定則 確計劃,將在2025-26賽季重新明確劃分這兩個年齡組別。

女子及男子分齡組別:

在女子方面,社區內部有非常卓越的合作,球會之間聯手組建具競爭性的隊 伍,共同努力為球員提供了寶貴的比賽機會,有助持續發展本港的女子欖球 運動。隨著球員人數增加,我們得以從過去數季的10人賽制,進而於今季在 每個年齡組別推行15人欖球比賽。

在男子方面,整季的賽事都維持在高水平。華利欖球會Fort隊在終極一戰的 加時階段,於完場前憑藉一次驚心動魄的橫踢球,鎖定勝局並摘下冠軍。

我們衷心感謝希慎興業對香港青少年欖球的持續支持。他們的贊助不僅令 希慎本地賽季得以穩定開展,亦透過資助年終的U14欖球訓練營,為男女子 球員提供機會。此外,他們還通過希慎青少年欖球學院建立了重要的績效關 聯,進一步推動本會的欖球發展計劃。

發展營

在聖誕假期前,我們為U14分齡組別舉辦了一次訓練營。承蒙希慎的持續支 持,今年我們得以擴展訓練營以涵蓋男、女子球員,提供以接觸技巧及理 解比賽為核心的全面訓練計劃。訓練的主要目標是讓這些球員為來年的U16 欖球比賽做好準備。經挑選的教練為U14球員傳授寶貴的訓練心得及對抗演 練,獲得全體學員高度讚賞。

希慎青少年欖球錦標賽七人欖球賽

青少年七人欖球賽於球季下半段回歸,於萬眾期待的超級聯賽決賽畫下句 號。決賽隊伍有幸在全新落成的啟德主場館作賽,在世界七人欖球系列賽的 球隊登場前進行激烈的欖球對決。

元旦日青少年欖球錦標賽

第57屆元旦日青少年欖球錦標賽再次展示15至18歲球員的卓越實 力。香港龍隊與海外獅隊在U16男子組別賽事的對決成為亮點,雙 方賽至最後一刻才能分出勝負。此外, U19男子組別賽事也正好讓 中國香港隊教練們發掘優秀的人才。

我們衷心感謝超過28位本地教練和資深球員,包括現任和前任代 表隊成員,在此項年度賽事中支持參賽的四支球隊。亦特別感謝希 慎興業及香港足球會一直以來支持這項重要賽事。

小型欖球 球員庫及年齡組別:

小型欖球世界挑戰盃為2024-25賽季拉開帷幕,超過350名U11及 U12的男、女子球員代表12支欖球世界盃參賽國家球隊,集結在京 十柏球場獻技。

K節、Richard Hawkes欖球

所有主要欖球節都全面展開, 猛虎欖球會、香港大學沙灣欖球會、 華利欖球會Fort和香港足球會舉辦了充滿活力的小型社區活動。此 外,Flying Kukris、大埔、沙田和香港仔也參與了欖球節,為小型 欖球社區提供多元化及引人入勝的賽季活動。

Richard Hawkes欖球盃和林鄺蘭香欖球盃均於2025年1月舉行。 對許多球員而言,這是他們首次體驗競技欖球,能夠見證球員展現 技巧、爭勝心及毅力,實在令人鼓舞。

香港國際七人欖球賽中的小型欖球獻技

對許多香港國際七人欖球賽的在場人士而言,最令人難忘的 時刻之一是在新落成的啟德體育園歡迎1,500名小型欖球球 員與家長們。現場氣氛熱烈,在主隊出場前,Gala的名曲 《Freed From Desire》響徹全場,激勵在場觀眾。這些小球員 也參加了國泰/滙豐香港國際七人欖球賽的小型欖球表演賽,在全 新的主場館展示他們的欖球才華,實屬香港七欖中的獨特體驗。

我們衷心感謝所有充滿熱情的家長和義工,他們的投入和支持為香 港七欖賦予獨特個性。

Tertiary Rugby

Tertiary Rugby plays a vital role in the development of local rugby, offering opportunities for young and new players to engage with the sport. It provides an essential platform for continued participation and serves as an alternative pathway into the game. As Hong Kong is the home of Rugby Sevens, and with such a thriving product in the tertiary game, the interaction between tertiary institutions and local rugby clubs continues to be a strategic priority.

During the 2024-25 season, we saw over 500 players -284 boys and 218 girls - from 13 institutions registered for the season. This marks a 20% increase in player numbers compared to the previous year, demonstrating a thriving and vibrant competition.

HKCR organised a total of four rugby tournaments and competitions for tertiary teams during the season, involving 56

- 1. Tertiary Rugby Invitations Sevens Tournament 2024-25: 9
- 2. USFHK Rugby Sevens Competition 2024-25: 11 men's teams and 9 women's teams
- 3. Tertiary Rugby Sevens Tournament (XRugby) 2025: 9 men's teams and 7 women's teams
- 4. Tertiary Touch Championships 2025: 5 men's teams, 6 women's teams, and 6 mixed teams

Among these events, a standout of the entire rugby calendar was the test event for Kai Tak Stadium, where USFHK ran a rugby sevens competition attended by 10,000 fans. It was a day enjoyed by all with rapturous feedback around the quality of rugby on display. The XRugby Sevens and the Touch Championships also provided valuable opportunities for new players from various institutions to gain experience and showcase their developing rugby skills.

港校橄欖球聯盟

所有年龄組別的參與人數均有所增加,我們尤其致力強化了男子甲組、女子乙組及女子丙組的七人及10人欖球比賽。恭喜啟歷學校、新加坡國際學校及西島中學分別在甲、乙、丙組別比賽以及2024年Bill Williams學界七人賽中奪得男子組及女子組冠軍。

Tough Referee Development: Building Asia's Officiating Hub

To support the leagues and competitions, Hong Kong China Touch has continued to conduct **FIT Introductory Referee** courses throughout the year. This helps to grow the number of qualified touch referees in the community with 25 new referees certified in the past year.

Additionally, during the Hong Kong International Touch Championship 2024, we invited a FIT referee coach to conduct the **FIT Introductory Referee** Course. Fourteen/ Eighteen referees successfully completed the course and upgraded to become Intermediate Referees.

Furthermore, we plan to regularly run the FIT Intermediate Referee Course every year during the Hong Kong International Touch Championship/Summer Touch League (Premiership League). This provides an opportunity for local referees to continue their growth and become Intermediate Referees, as well as welcoming overseas referees to upgrade their referee level and contribute to making Hong Kong a touch referee development hub in Asia.

Looking Ahead

The 2024-25 season exemplified HKCT's commitment to excellence - from Nottingham's global stage to thriving local leagues. With a new Executive Committee and strategic focus on Asia-Pacific events, we invite all stakeholders to join our journey toward the 2026-28 international cycle.

PERFORMANCE AND REPRESENTATIVE RUGBY

PERFORMANCE AND REPRESENTATIVE RUGBY

高水平及代表隊欖球

Men's XVs

Led by Head of Technical Rugby, Andrew Douglas, and supported by our CCOs, the season goal for our Men's XVs team was to win the 2025 Asia Rugby Emirates Men's Championship and consequently earn direct qualification for the 2027 Men's Rugby World Cup in Australia.

To help with the team's preparation and cohesion, ten full-time player contracts were awarded running for the 2025 calendar year. Through the 2024/25 season fixtures were played against Brazil in November, where a 10-23 loss was followed in the second test by a 38-17 win, and then in April and May against an ACT Brumbies development team and a Japan XV team. Across all fixtures valuable learnings were taken leading the squad into the Asia Rugby Championship.

This preparation resulted in resounding wins over the United Arab Emirates in Dubai (10-43), Sri Lanka at home at the Kai Tak Youth Sports Ground (78-7) and Korea in Incheon (22-70). The team achieved a historic first Men's Rugby World Cup qualification, which undoubtedly creates a great opportunity to achieve the department's main strategic objective of creating HKCR role models who inspire people to engage in rugby.

Planning is well under way in player, coaching and staff recruitment, as well as the daily training model that is appropriate for the uniqueness of Hong Kong, to enable the team - currently ranked 23rd in the world - to continue upward on its performance trajectory and make an impact at the RWC 2027 in Australia.

Women's XVs

Our Women's XVs season started with World Rugby's WXV3 competition, held in Dubai in September and October 2024. The team lost 38-3 to Fiji, beat Madagascar 38-7 and then lost to a powerful Netherlands team 33-5, resulting in narrowly missing out on qualification for the Women's Rugby World Cup 2025 in England. For the Asia Rugby Women's Championship 2025, acting Head Coach Lewis Wilson led the team to victory against Kazakhstan 29-12 before losing to winners Japan 63-5. The team is currently ranked 17th in the world, and with the introduction of a new Head Coach to focus on the programme and long-term development of players, the excitement is high for the team's future aspirations.

7s

Our Men's 7s team won the Asia Rugby Sevens series held in Korea, Hangzhou and Thailand in September to November 2024, winning all three tournaments and all 15 games. Our Women's 7s team finished 3rd overall, resulting in both teams qualifying for HSBC Challenger Series – with the first two legs played in Stellenbosch, South Africa, in March 2025.

Disappointingly, our men finished 11th overall and never reached the performance levels of previous years, while our women performed well, were competitive throughout, and finished 10th overall.

For our last senior competition this season, both our men's and women's teams won their Melrose Claymores competitions held at Kai Tak Stadium during the Hong Kong leg of the HSBC SVNS Series in March 2025. The timings of the games on the back of the Challenger Series was excellent, and for our players to play a part in this iconic tournament in front of friends and family was not only a brilliant experience for them but also an opportunity to be seen as role models and inspire the local population to engage in rugby.

Match Officials

HKCR Match Officials have seen a number of successes in the 2024/25 season. Notably, Craig Chan (referee) and Matt Rodden (TMO) officiated at the Paris Olympic Games in July and August 2024. Craig was appointed through the women's tournament, including the bronze medal match, while Matt was TMO for all men's and women's matches.

Sunny Lee was selected to the Women's HSBC SVNS Series for the first time, and is the first female from Hong Kong to referee on the series since 2016. Sunny refereed two series finals out of seven tournaments through the 2024/25 season.

Morgan White refereed the U20 Six Nations from January to March 2025, and was subsequently selected for the World Rugby U20 World Championships in July 2025. This is a first for a referee from Hong Kong. Other international appointments include Craig and Morgan (one final) in the HSBC Challenger Series and Matt as TMO for the Men's HSBC SVNS Series, as well as five match officials involved in the Asia Rugby Sevens Series and seven match officials involved in the Asia Rugby Championships.

During the 2024/25 season, we were able to introduce 11 new officials to refereeing, mostly through shadowing/mentoring from senior referees and management from Patrick Kwok. This represents an addition of around 10% to our active referee group.

Performance Pathway

Academy Program Overview - Hysan HKCR Academy

The Hysan HKCR Academy currently supports the development of 42 U19 athletes, comprising 20 boys and 22 girls. The program engaged and utilised the expertise of CCOs and WCCOs to deliver a curriculum focused on technical skill acquisition. Lane Procter led the physical athletic development of all players, catering programmes to their ability and current capacity. In parallel, classroom-based sessions were held that included leadership, communication styles and mental skills.

Talent ID Academies

Through our Talent Identification Academies, 53 U19 players from the HKSSF (Hong Kong Schools Sports Federation) competitions were engaged. Sessions were delivered bilingually, enabling broader accessibility and inclusivity. These academies not only served as platforms for player identification and development but also provided significant upskilling opportunities for our coaching workforce - particularly those active within the domestic game.

Rosslyn Park & UK Engagement - March 2024

As part of our international engagement strategy, top UK academic institutions were visited, continuing to build relationships with schools that have a history of producing high-calibre Hong Kong-eligible talent. This initiative resulted in the registration of over 50 new players into the HKQ (Hong Kong-Qualified) player database, strengthening our talent pipeline and reinforcing our global outreach.

Dragons

In May 2025, the HKCR Dragons Programme was relaunched - having originally started in 1990. A 23-player men's squad headed to Singapore for a development match that the team lost 37-0.

The programme focuses on enhancing player development and creating pathways from community rugby to high-performance levels. All participants in the programme are 18-28 years old and Hong Kong passport holders - ensuring a focus on local talent and Hong Kong-qualified players for future Asian Games and Olympic Games.

The relaunch of the programme has been led by Salom Yiu Kam Shing (Hong Kong China Men's 7s record cap holder and a double Asian Games Gold Medallist), with Brendan Ireland as Head Coach. On the back of the first tour, two players earned selection for the Boys Senior Age Grade tour to New Zealand that took place in July 2025.

中國香港欖球總會二零二四至二零二五年年度報告

男子15人欖球代表隊

在欖球技術總監Andrew Douglas的帶領及球會教練的支援下,男子十五 人欖球代表隊本季以奪取2025年亞洲男子阿聯酋航空欖球錦標賽冠軍, 並藉此直接晉身2027年澳洲欖球世界盃為目標。

為協助球隊備戰及增強凝聚力,我們與10名球員簽署了全職合約,於整個 2025日曆年有效;並在2024/25賽季中、在11月與巴西隊進行了兩場熱 身賽。港隊首場以10:23落敗,但在第二場以38:17獲勝。於4月至5月期 間,球隊亦與ACT Brumbies發展隊及日本十五人代表隊進行賽事,取得 寶貴經驗,以應付亞洲欖球錦標賽。

上述備戰有助港隊在對陣阿聯酋(10:43)、斯里蘭卡(78:7)及韓國 (22:70)的比賽中取得壓倒性勝利,歷史性地晉級世界盃。此佳績帶來難 能可貴的機會,讓欖總實現發展策略目標,藉此打造星級球員及球隊, 作為香港模範,以鼓勵大眾參與欖球運動。

我們目前正積極規劃球員、教練和職員的招募工作,以及制定適合香港 獨有環境的日常訓練模式,使球隊表現能夠穩步上升,並在2027年澳洲 欖球世界盃中再創佳績。

女子15人欖球代表隊

女子十五人欖球代表隊以在杜拜舉行的「女子WXV錦標賽第三級別」 展開賽季,球隊以38:3不敵斐濟,以38:7擊敗馬達加斯加,隨後以33:5 負於實力強勁的荷蘭隊,結果僅以些微差距未能取得2025年英格蘭欖球 世界盃的入場券。在2025年亞洲女子欖球錦標賽中,代理主教練Lewis Wilson帶領球隊以29:12戰勝哈薩克,隨後以63:5不敵冠軍日本隊。球 隊目前世界排名第17位,新任主教練將專注於項目和球員的長遠發展, 我們對未來的發展充滿期待。

七人欖球代表隊

男子七人欖球隊在2024年9月至11月期間,以15戰全勝姿態贏得在韓 國、杭州及泰國舉行的亞洲七人欖球系列賽全部3站冠軍,女子隊成績 則排名第3,兩隊均獲得在南非斯泰倫布殊舉行的滙豐挑戰者系列賽資 格。可惜男子隊總成績排名第11,未能達到往年水平。女子隊則表現出 色,在整個賽季中都保持競爭力,總成績排名第10。

在本賽季的最後一項成人組別比賽中,我們的男、女子隊都贏得 Melrose銀劍賽冠軍。該賽事是滙豐SVNS世界七人欖球系列賽(香港 站)賽事的一部分,於2025年3月在全新的啟德主場館舉行。這項比賽 緊接挑戰者系列賽,時機恰到好處。對於我們的球員而言,能夠在親友 面前參與這項標誌性的賽事,不僅是一次難忘經歷,更是一次展現成為 榜樣的力量、以激勵本地民眾參與欖球運動的寶貴機會。

賽事球證

中國香港欖球總會的賽事球證在2024/25賽季取得多項成果。值得一提 的是, 陳頌豪 (球證) 和麥菲諾 (視像球證) 在巴黎奧運會中執法。陳頌 豪獲派擔任女子銅牌賽的球證,而麥菲諾則擔任所有男、女子賽事的視

李翠恩首次獲選參與滙豐世界SVNS女子七人欖球系列賽,是自2016年 以來首位獲任命的香港女球證。李翠恩在7場錦標賽中負責兩場決賽的執 法。Morgan White在U20六國賽中執法,隨後獲選參與本週開始的U20 世界欖球錦標賽,屬首位入選的香港球證。其他國際任命包括: 陳頌豪 和Morgan White在一場挑戰者系列賽決賽中執法,麥菲諾在SVNS世界 男子七人欖球系列賽中擔任視像球證。此外,有5名賽事球證參與亞洲七 人欖球系列賽,7名賽事球證參與亞洲欖球錦標賽。

在2025/25年賽季,透過資深球證的影子/師友計劃,以及郭子健的統 籌,本季成功新增11名球證,令現役球證人數增加了約10%。

學院計劃概覽 一 希慎一欖總青少年欖球學院

希慎一欖總青少年欖球學院目前支持42名U19運動員的發展,其中包括20名 男生和22名女生。計劃運用球會教練及女子球會教練的專業知識,提供以培 訓專業技術為重點的課程。Lane Proter負責運動員的體能發展,根據他們的 能力和現有水平制定訓練內容。同時亦設有課堂教學,內容涵蓋領導能力、 **溝涌風格及心理技能**。

53名來自香港學界體育聯會比賽的U19球員參與了我們的選材學院。課程以 雙語形式授課,以擴大參與度和包容性。這些學院不僅有助識別和培訓有潛 質的球員,也為我們的教練團隊 (尤其是活躍於本地比賽的教練) 提供提升技 能的寶貴機會。

2024年3月 — Rosslyn Park及英國交流

作為國際交流策略的一環,我們到訪了英國頂尖學術機構,與歷年來孕育不 少香港傑出人才的學府建立持續的關係。是次交流吸引了超過50名新球員註 冊到香港合資格球員資料庫中,加強了我們的人才儲備,並強化了我們的全 球拓展工作。

「龍隊」計劃

始於1990年的「龍隊」計劃於2025年5月重新啟動,由23名球員 組成的隊伍前往新加坡進行了一場訓練賽,惜以37:0落敗。

該計劃旨在培訓本地欖球人才,並為球員構建從社區欖球到高水平 國際賽事的發展路徑。參加者年齡介乎18至28歲,均是香港護照 持有人,以確保計劃專注培訓本地人才及香港合資格球員,迎戰日 後的亞運會及奧運會。

重啟計劃由姚錦成 (中國香港男子七人欖球隊上陣次數紀錄保持者 及兩屆亞運會金牌得主) 領導,魏溥德擔任主教練。有2名球員獲 選參加欖總男子成人分齡組別代表隊在2025年7月的新西蘭之旅。

Total comprehensive loss for the year was HK\$2.3 million (2024: HK\$27.2 million profit). The biggest risk facing the Group remains its reliance on the annual Hong Kong Sevens event to fund its principal activity which is the promotion and development of rugby in Hong Kong. The loss was the result of the Hong Kong Sevens tournaments less operating expenses of the group.

There are no subsequent events which materially affect the financial result of the Group.

The Group expects to operate on a sustainable basis in the next financial year as it expects to continue to host the Hong Kong Sevens and reinvest back into the promotion and support of rugby in Hong Kong.

The Group has complied with all applicable laws and regulations during the year.

The Group's success depends on some key relationships for a significant proportion of its income, particularly those relating to the Hong Kong Sevens and the governing body for rugby, World Rugby.

INDEPENDENT AUDITOR'S REPORT

To the Members of Hong Kong, China Rugby (incorporated in Hong Kong and limited by guarantee)

Opinion

What we have audited

The consolidated financial statements of Hong Kong, China Rugby (the "Company") and its subsidiaries (the "Group"), which are set out on pages 110 to 141, comprise:

- the consolidated statement of financial position as at 30 April 2025;
- the consolidated statement of total comprehensive income for the year then ended;
- the consolidated statement of changes in equity for the year then ended;
- the consolidated statement of cash flow for the year then ended: and
- the notes to the consolidated financial statements, comprising material accounting policy information and other explanatory information.

Our opinion

In our opinion, the consolidated financial statements give a true and fair view of the consolidated financial position of the Group as at 30 April 2025, and of its consolidated financial performance and its consolidated cash flows for the year then ended in accordance with HKFRS Accounting Standards as issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") as issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Group in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code.

Other Information

The directors of the Company are responsible for the other information. The other information comprises the information included in the report of the Directors, but does not include the consolidated financial statements and our auditor's report

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Directors for the Consolidated Financial Statements

The directors of the Company are responsible for the preparation of the consolidated financial statements that give a true and fair view in accordance with HKFRS Accounting Standards as issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, the directors are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the **Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. We report our opinion solely to you, as a body, in accordance with Section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- · Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- · Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the consolidated financial statements. We are responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The engagement partner on the audit resulting in this independent auditor's report is CROCKFORD, James Noel (practising certificate number: P05722).

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

1 General information

Hong Kong, China Rugby (the "Company") and its subsidiaries (collectively the "Group") are engaged in the support, promotion and development of rugby in Hong Kong.

The Company was incorporated in Hong Kong on 30th April 1990 and is limited by guarantee. Permission has been granted by the Companies Registrar for the Company to exclude the word "Limited" from its name.

The address of the Company's registered office is Room 2001, Olympic House, 1 Stadium Path, So Kon Po, Causeway Bay,

On 1st May 1990, the Company took over the assets, liabilities and reserve funds of its predecessor entity, Hong Kong Rugby Football Union which was registered as a society.

The consolidated financial statements have been approved for issue by the Board of Directors on 5th August 2025.

2 Summary of material accounting policies

The material accounting policies applied in the preparation of these consolidated financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

The consolidated financial statements have been prepared in accordance with HKFRS Accounting Standards as issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA"). They have been prepared under the historical cost convention, as modified by the revaluation of certain financial assets and financial liabilities (including financial assets at fair value through profit or loss). The consolidated financial statements are therefore prepared on a going concern basis.

The Group has made losses of HK\$2,354,000 in the year (2024: HK\$27,253,000 profits). The Hong Kong Seven's is the Group's core revenue generating event. The Directors expect to host the tournament again the financial year 2025/26 but remain prudent in their financial outlook. The Directors consider it appropriate to prepare the financial statements on a going concern basis.

The preparation of consolidated financial statements in conformity with HKFRS Accounting Standards requires the use of certain critical accounting estimates and judgment in the process of applying the Group's accounting policies. The areas involving a higher degree of judgment or complexity, or areas where assumptions and estimates are material to the consolidated financial statements, are disclosed in Note 4.

Management has represented certain immaterial 2024 balances within the consolidated statement of cash flow, taxation note, accruals note, consolidated statement of changes in equity, statement of financial position and reserve movement of the Company to conform with the 2025 presentation.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies (Continued)

(b) Basis of consolidation

The consolidated financial statements include the financial statements of the Company and its subsidiaries made up to the statement of financial position date on the basis set out in Note 2(c) below.

(c) Subsidiaries

Subsidiaries are all entities over which the group has control. The Company controls an entity when the group is exposed to, or has rights, to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity. Subsidiaries are consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The Group applies the acquisition method to account for business combinations. The consideration transferred for the acquisition of a subsidiary is the fair values of the assets transferred, the liabilities incurred to the former owners of the acquiree and the equity interests issued by the Group. The consideration transferred includes the fair value of any asset or liability resulting from a contingent consideration arrangement. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date.

Investments in subsidiary companies in the Company's financial statements are stated at cost less provision for any impairment losses. Income from subsidiary companies is accounted for on the basis of dividends received and receivable. Long term loans to subsidiary companies are considered to be quasi-equity in nature where there are no defined repayment terms and no expectation of repayment.

(d) Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance are expensed in the consolidated income statement during the financial period in which they are incurred.

Property, plant and equipment are depreciated on a straight-line basis over their estimated useful lives set out below:

Leasehold buildings 25 years Leasehold improvements 5 years Office equipment 3 years Furniture and fittings 3 years Coaching equipment 3 years **Artificial Pitches** 5 years Motor vehicles 3 years

The gain or loss on disposal of property, plant and equipment is the difference between the net sales proceeds and the carrying amount of the relevant asset and is recognised in the consolidated income statement.

The assets' residual values and useful lives are reviewed and adjusted if appropriate, at each balance sheet date. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

HONG KONG, CHINA RUGBY

(Incorporated in Hong Kong and limited by guarantee)

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

2 Summary of material accounting policies (Continued)

(e) Intangible assets

Computer software

Costs associated with maintaining computer software programmes are recognised as an expense as incurred. Development costs that are directly attributable to the design and testing of identifiable and unique software products controlled by the Group are recognised as intangible assets when the following criteria are met:

- it is technically feasible to complete the software product so that it will be available for use;
- management intends to complete the software product so that it will be available for use;
- there is an ability to use or sell the software product;
- it can be demonstrated how the software product will generate probable future economic benefits;
- adequate technical, financial and other resources to complete the development and to use or sell the software product are available: and
- the expenditure attributable to the software product during its development can be reliably measured.

Computer software development costs recognised as assets are amortised over their estimated useful lives, which does not exceed three years.

(f) Impairment of assets

The Group reviews the carrying amounts of assets for impairment whenever events or changes in circumstances indicate that the carrying amount of those assets may not be recoverable. If such assets are considered to be impaired, the impairment to be recognised is measured by the amount by which the carrying amount of the assets exceeds the recoverable amount. The recoverable amount is the higher of an asset's fair value less costs to sell and its value in use. Such impairment losses are recognised in the consolidated income statement.

(g) Financial assets

The Group classifies its financial assets in the following measurement categories:

- those to be measured at fair value through other comprehensive income;
- those to be measured at fair value through profit or loss, and
- those to be measured at amortised cost.

The classification depends on the Group's determination of the classification of a financial asset between 'debt' and 'equity' inline with HKAS 32 Financial Instruments: Presentation.

For investments in equity instruments (as defined by HKAS 32) that are not held for trading, they will be treated as fair value through profit or loss unless the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

(a) Financial assets (Continued)

For investments in debt instruments (as defined by HKAS 32) these will be treated as fair value through profit or loss unless they meet both of the following conditions:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

If the above two conditions are met, movements in the carrying amount are taken through OCI, except for the recognition of impairment losses, interest income and foreign exchange gains and losses which are recognised in the income statement. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the income statement and recognised in other gains or losses.

At initial recognition, the Group measures a financial asset at its fair value. The Group subsequently measures all equity investments at fair value. Where the Group's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to the income statement following the derecognition of the investment. Dividends from such investments continue to be recognised in the income statement when the Group's right to receive payments is established.

(h) Trade receivables, other receivables and prepayments

Trade receivables, other receivables and prepayments are recognised at fair value less provision for impairment. The Group applies the HKFRS 9 simplified approach to measuring expected credit losses which uses a lifetime expected loss allowance for all trade receivables. Trade receivables are written off when there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include the failure of a debtor to engage in a repayment plan with the group. The amount of the provision is recognised in the consolidated income statement.

(i) Cash and cash equivalents

In the consolidated statement of cash flows, cash and cash equivalents include cash in hand, deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

(j) Restricted Cash

Bank deposits which are restricted to use are classified as "restricted cash". Restricted cash is excluded from cash and cash equivalents in the consolidated statement of cash flows.

(k) Leases

Leases are recognised as a right-of-use asset and a corresponding liability at the date at which the leased asset is available for use by the Group.

Lease liabilities are initially measured at the present value of lease payments to be paid in the future, discounted using the incremental borrowing rate. Lease payments include payments for non-lease components. Subsequently, lease liabilities are measured at amortised cost using the effective interest method. Remeasurements of the lease liabilities are required in case of changes in the lease term, in future lease payments or when options are reassessed.

(k) Leases (Continued)

Right-of-use asset are initially measured at the present value of the corresponding lease liability adjusted by payments made before lease commencement and any lease incentives received. Subsequently the assets are depreciated on a straight-line basis over the lease term and are adjusted by remeasurements of the corresponding lease liability. An impairment test is performed whenever impairment indicators are identified.

The incremental borrowing rate is based on publicly available market data in Hong Kong.

(I) Deferred taxation

Deferred taxation is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the consolidated financial statements. Deferred taxation is determined using tax rates and laws that have been enacted or substantially enacted by the balance sheet date and are expected to apply when the related deferred income tax liability is settled.

Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the temporary differences can be utilised.

(m) Provisions

Provisions are recognised when the Group has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation, and a reliable estimate of the amount can be

(n) Trade payables, other payables, accruals and contract liabilites

Trade payables, other payables and accruals are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method.

Contract liabilities is recognised when cash is recovered from customers before satisfying any of the associated performance obligations.

(o) Revenue recognition

Revenue from the sale of tickets, member subscriptions and sponsorship is recognised when the performance obligation (the taking place of the event to which the revenue is associated and if required costs have been incurred) has been satisfied.

Coaching course income, and other income is recognised when the performance obligation has taken place and the service has been delivered.

Interest income is recognised on a time proportion basis, using the effective interest method.

Dividend income is recognised when the right to receive payment is established.

Capital grants are recognised over the life of the asset to which the grant was awarded.

(p) Subventions and Grants

(1) Subventions

Subventions from the government and sporting governing bodies are recognised at their fair value where there is a reasonable assurance that the subventions will be received and the Group will comply with all attached conditions

These subventions are recognised in the consolidated income statement over the period necessary to match them with the costs that they are intended to compensate. Subventions are presented in the consolidated income statement as deductions against the related expenses. General subventions where there are no specific expenditure requirements are presented separately within "other income".

(2) Grants

Grants provided by organisations that are not associated with the government on sporting governing bodies are recognised at their fair value where there is a reasonable assurance that the subventions will be received and the Group will comply with all attached conditions.

These grants are recognised in the consolidated income statement and are presented in the consolidated income statement as income, with the associated expenses presented within expenses.

(q) Foreign currency translation

(1) Functional and presentation currency

Items included in the financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates ("the functional currency"). The consolidated financial statements are presented in HK\$, which is the Company's functional and the Group's presentation currency.

(2) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions or valuation where items are re-measured. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year-end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the consolidated income statement.

Foreign exchange gains and losses are presented in the consolidated income statement.

(3) Group companies

The results and financial position of all the Group entities (none of which has the currency of a hyper-inflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows:

- assets and liabilities for each statements of financial position presented are translated at the closing rate at the date of that statements of financial position;
- (ii) income and expenses for each income statements are translated at average exchange rates (unless this average is not a reasonable approximation of the cumulative effect of the rates prevailing on the transaction dates, in which case income and expenses are translated at the rate on the dates of the transactions); and
- (iii) all resulting exchange differences are recognised in other comprehensive income.

(r) Operating leases

Leases where substantially all the risks and rewards of ownership of assets remain with the lessor are accounted for as operating leases. Payments made under operating leases net of any incentives received from the lessor are charged to the consolidated income statement on a straight-line basis over the lease term.

(s) Employee benefits

Retirement benefits

The Group operates and participates in a defined contribution retirement scheme, the BCT Strategic Mandatory Provident Fund scheme. The assets of this scheme are held in a separate trustee administered fund. The pension plan is funded by payments from employees and by the Group and provides benefits linked to the contribution and investment returns made on the plan. The Group has no legal or constructive obligations to pay further contributions if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to this defined contribution plan are recognised as an expense in the consolidated income statement in the year in which they are incurred and are reduced by contributions forfeited by those employees who leave the scheme prior to full vesting of their contributions.

(t) Related parties

Related parties are individuals and companies, where the individual or company has the ability, directly or indirectly, to control the other party or exercise significant influence over the other party in making financial and operating decisions. Parties are also considered to be related if they are subject to common control.

(u) Reserves

The Group holds two categories of reserves in order to make it clear to the users of the financial statements the difference in the value of cumulative gains/ losses associated with normal trading activities, and the value of cumulative gains/ losses generated as a result of investments in financial assets. The two categories are as follows:

General fund - contains the cumulative gains/ losses of the Group, including taxation, but excluding fair value gains/ losses on financial assets.

Investment revaluation reserve fund - contains the cumulative gains/ losses associated with current and previously held investments in financial assets. The fund is unrestricted. The gains/ losses on these investments are not transferred to the general fund when they are sold.

3 Financial risk management

(a) Financial risk factors

The Group's activities expose it to a variety of financial risks: market risk (including foreign exchange risk and price risks), credit risk, and liquidity risk. The Group's overall risk management programme seeks to minimise potential adverse effects on the Group's financial performance as a result of these risk

(1) Market risk

(i) Foreign exchange risk

The Group is exposed to foreign exchange risk as a result of its holding of investments denominated in US dollars. Since the Hong Kong dollar is pegged to the US dollar within a range of HK\$7.75-7.85: US\$1, the Group does not consider the foreign exchange risk to be significant and therefore no further measures are taken to reduce this risk.

(ii) Price risk

The Group is exposed to equity securities price risk because investments held by the Group are disclosed on the consolidated statement of financial position as financial assets at fair value through profit or loss. The funds are managed by an Investment Committee who have a mandate to maintain and if possible enhance the principal investment value of the portfolios whilst keeping risks to an acceptable minimum. The Committee reports to the Board of Directors and meets with its Fund managers on a quarterly basis.

The table below summarises the impact of increases/decreases of the investment unit prices on the Group's portfolios and on profit and loss account. The analysis is based on the assumption that the unit price increases/ decreases by the respective percentages indicated below with all other variables held constant.

		2025		2024	
Investments	Change in market value of units % (+/-)	Impact on profit or loss HK\$ (+/-)	Change in market value of units % (+/-)	Impact on profit or loss HK\$ (+/-)	
Global Equity High Income Fund	10%	10,064	10%	9,812	

The Group has used its view of what would be a reasonable shift in each key investment unit price to estimate the change for use in the market sensitivity analysis above. The disclosures are shown in absolute terms, changes and impacts could be positive or negative. Changes in % movement in unit values are revised annually depending on the Group's current view of market volatility and other relevant factors.

The Group has interest-bearing assets in the form of cash and cash equivalents and short-term deposits.

As the Group has no long-term borrowings or loans, the Group's operating cash flows are substantially independent of changes in market interest rates. The risks in relation to cash flow and fair value interest rate risk are therefore not deemed to be significant.

(a) Financial risk factors (Continued)

(2) Credit risk

Credit risks arise from cash and cash equivalents, financial assets at fair value through profit or loss and outstanding receivable balances at the year end.

The Group minimises its credit risk in relation to receivables through the sale of tickets and merchandise to a widely dispersed customer base. Any exposure to individual organisations will be through significant sponsorship deals with reputable organisations.

For banks and financial institutions, only independently rated parties with a minimum rating of 'A' are accepted. For financial assets at fair value through profit or loss, the risk is managed through the use of reputable fund managers and by the Investment Committee.

(3) Liquidity risk

Prudent liquidity risk management includes maintaining sufficient cash to meet the commitments and obligations of the

The Group had net current assets of HK\$49,691,000 (2024: HK\$55,965,000) as at 30 April 2025. The Group's material cash requirements include:

- Trade payables, other payables and accruals
- Lease liabilities
- Other financial commitments disclosed in Note 21

Liabilities are trade, other payables and accruals as well as contract liabilities. Current liabilities are all due within 12 months of the balance sheet date. Lease liabilities fall due in line with the length of the lease. The fair values of the balances due are equal to their carrying amounts as the impact of discounting is not material.

The table below analyses the Group's non-derivative financial liabilities into relevant maturity groupings based on the remaining period at the balance sheet date to the contractual maturity date.

(4) Capital risk management

The Group's objectives when managing capital are to be commercially and financially sound, able to provide the financial resources necessary to achieve the Strategic Plan and to safeguard the Group's activities into the future. Capital of the Group is considered to be the General fund and Investment revaluation reserve fund.

The group has taken measures to manage the capital risk for the foreseeable future. The financial assets at fair value through profit or loss provide sufficient capital for the Group to meet its future liabilities for the foreseeable future even in the event of a financial loss in the next financial year.

(5) Offsetting financial assets and financial liabilities

There is no material offsetting, enforceable master netting arrangement and similar agreements during the year.

(b) Fair value estimation

- Level 2 Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices);

4 Critical accounting estimates and judgements

The Group makes estimates and judgements concerning the future. The resulting accounting estimates will by definition seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(a) Depreciation of property, plant and equipment

The Group depreciates property, plant and equipment on a straight-line basis over the estimated useful life. The estimated useful life reflects management's best estimate of the period that the Group intends to derive future economic benefits from the use of the property, plant and equipment. To the extent the useful economic useful life changes the resultant depreciation in the consolidated income statement will be increased or decreased.

(b) Recognition of deferred tax asset for carried-forward tax losses

The deferred tax assets include an amount of HK\$3,861,000 which relates to carried-forward tax losses of the Group. The Group incurred the losses during the Covid-19 Pandemic. The Group has further unrecognised tax losses generated during the Covid-19 period, but considers the portion of deferred tax asset recognised is the appropriate level that is recoverable using the estimated future taxable income based on the approved business plans and budgets for the Group. The Group has generated taxable income in 2024/2025. The losses can be carried forward indefinitely and have no expiry date.

(iii) The Group's leasing activities and how these are accounted for

The Group leases various offices and government properties. Rental contracts are typically made for fixed periods of 1 to 5 years, but may have extension options as described in (iv) below.

Lease terms are negotiated on an individual basis and contain a wide range of different terms and conditions. The lease agreements do not impose any covenants other than the security interests in the leased assets that are held by the lessor. Leased assets may not be used as security for borrowing purposes.

(iv) Extension and termination options

Extension and termination options are included in a number of property and equipment leases across the Group. These are used to maximise operational flexibility in terms of managing the assets used in the Group's operations. The majority of extension and termination options held are exercisable only by the Group and not by the respective lessor.
